Our daily announcements are posted on our website at moodymiddle.ca for parents to refer to. You’ll even find important dates running as a banner across the top of our webpage!

Greetings from the Admin Team

Happy Easter Weekend to all of you.

We came back after our March Break with wind in our sails and have been flying ever since. A four day breather is a good thing for all of us as we pace ourselves through this incredibly busy Spring. I have always thought that someone should figure out how to bottle up or refine the energy in a middle school and we would solve many of our global energy issues. That being said the learning and life experiences that are a daily occurrence at middle school create an even more immeasurable resource in our youth. It is amazing to watch.

Let me try and paint the picture for those of you who may not spent much time in a middle school.

We have the arts infiltrating everything we do. Currently *The Lady Pirates of Captian Bree* are hard at work preparing for the big musical at the end of May. I can hear the singing across the hall and the vibrations in the floors as the students dance and move and create for our big production. Big thanks to Ms Magnusson and Ms Ono for spearheading this large undertaking.

Students finished their soapstone carvings and are moving on to murals, creating stories, visiting the Museum of Anthropology, Art Club, and preparing showcases for our *Presentation of Learning* in June.

Our bands and choir are rehearsing for the year end concert as well as participating in both Advanced and Beginner Band days. The Arts are alive and well at EMMSOTA!

We have well over one hundred and fifty students participating in our Spring sports; rugby, track and field, badminton, soccer club, basketball club, wrestling club and more.

We have our friends from Port Moody Recreation providing after school programming three times a week; with activities ranging from cooking to games to creative writing.

Our Friends of Simon and Port Moody Secondary Tutors Are here every Monday and Friday providing afterschool support for our students. We thank them for their volunteer time.

Our wonderful EMMSOTA PAC are planning plant sales, hot lunches, treat sales and Grade 8 leaving events as part of our larger learning community.

We have a wonderful new inclusive playground that just recently opened up for our students to enjoy. Rain or shine we have over 50 students playing out there every day. An awesome gift from the Ministry of Education and their playground grants.

Every day I walk into multiple classrooms and see students collaborating, learning together, sharing resources, spilling out into hallways, standing, sitting, listening, observing, buzzing with ideas, creativity and new knowledge. It is amazing to watch. This is a small slice of middle school life. It changes daily and is never sedentary. It is why we are all here, to get swept up in the energy. There are times when the constant movement, activity, noise, is quite frankly exhausting. Then we see the smiles, the lightbulbs going on, the friendships being made, the life lessons being learned and energy fills us up again.

Middle School is a great place to be. Ecole Moody Middle School of the Arts is an even greater place to be!

Thank you as always for sharing your children with us every day.

Mark Clay, Principal
École Moody Middle School of the Arts

Alex Abello, Administrative Assistant

Build a Backpack event: April 1 – May 4, 2019

The **WE Leadership Brick group** presents our new **BELIEVE initiative** called, the ***Build a Backpack*** event. In this initiative, each class will receive a backpack to fill with items for the homeless. When the backpacks have been filled, they will be donated and delivered to local homeless shelters and other areas in need.

Now here's the big question, why should we donate? Did you know...

Last year there were over 2,000 homeless people in Vancouver and this number continues to go up! Sadly, many of these people are teens and young adults. What is even more shocking, is that 700 of these people didn't even have a shelter to go to. Many are living on the streets, have little or no food, and no hope for the future! Can you imagine how cold and upsetting their lives must be?

So, join us in this initiative and please donate...

Together we CAN make a difference...Sometimes all it takes is one generous helping hand, to save a life!

Here are some items that you could bring in to donate...

toothbrushes, toothpaste, hairbrushes, soap, shampoo, socks, mittens, toque, small towels, small blankets, non-perishable snacks, decks of cards, flashlight, hand sanitizer, water bottle, thermos, writing supplies, toilet paper

We would like to encourage you to participate by offering a prize to the **TOP DONATING CLASS!**

There's MORE! Don't stop at just filling your backpack! All items will be counted and the class who donates the most will receive an ***Ice Cream Party*** served by our WE Leadership BRICK Group!

Let's GET DOING: WE need your help Moody, let's work together to help the homeless!

Thank you!

WE Leadership BRICK & Ms. Egelstad

BRICK – Knitting

Our knitting group is off to a great start! With the philosophy of "each one teach one", every new knitter is paired with an experienced knitter for one-on-one attention. Our students will be able to choose a project of their choice: a scarf, a hat, a set of wash cloths/dish cloths, or anything else that they'd like. This BRICK group offers a peaceful and creative environment!

EMMSOTA's Book of the Year Contest

There are weekly prizes for filling out a survey for the Book of the Year. Students are encouraged to fill out a survey as soon as they are finished one of the books. They do not have to read 3 books (the number needed to be eligible to vote) before they complete a survey. Plus, the more surveys they fill out, the more times their name goes in the draw for a grand prize! Students can bring their device or use a library laptop to complete the online survey. Happy Reading!

Contest closes on April 30.

Mental Health Information

There are many different aspects of your child's health; their physical, emotional, and mental health domains are equally important.

If you are concerned about the mental health of your child or a child you care for, the BC Children's Kelty Mental Health Resource Centre has resources to support you. In this section (see link below) of the site, you will find information on key topics that parents and caregivers often have questions about. This includes some first steps you can take if you are concerned about your child, how to navigate through the different options for treatment and support in BC, information on different medications for mental health challenges and how to connect with a parent peer support worker at the Kelty Centre. Whether it's information, tools, or a listening ear you are looking for, the Kelty Centre is there to help.
