Greetings from the Admin Team

Greetings EMMSOTA Community

One month into the new year and the school is humming with multiple learning activities both in and out of the classroom. This week we are going to focus on healthy choices in our community and maybe even give parents and guardians some homework to read and discuss with their children.

Please read carefully the letters from our superintendent that are in the reading links below. We have also provided links to some further literature on health concerns and risky behavior in our youth. It is important that parents and guardians take the time to discuss some of the risks that are out there for young people and to hold your children close as they navigate some of the difficulties of adolescence.

As educators, we are tasked with facilitating learning in many different areas throughout the year. We hope that parents and guardians continue to be on board as partners in the learning journey both at school and at home. Please take the time to read the links and decide how best to have open dialogue with your children about the very important health topics below.

Thank you for sharing your children with us every day.

Mark Clay
Principal,
École Moody Middle School of the Arts

Storytelling at ÉMMSOTA

From January 15-18, our entire school spent time with Naomi Steinberg, a professional storyteller whose work is based in traditional folk and fairy tales. Each group met with Naomi in a circle and learned about the essential elements of story, contributed their own background knowledge of mythology and worked together to create a new myth for EMMSOTA. For more information on Naomi: <https://goosefeather.ca/>

Library Learning Commons:

EMMSOTA's Book of the Year Contest
The 10 books in the running for Book of the Year have been popular, with most of them checked out over the winter break. Though lots of students seem to be reading them, not many have taken the surveys to be eligible to vote for their favourite. Prestige and prizes are involved, so students should come to the Library Learning Commons with their device so their name can go in the draw. The top reader from each Division will win a prize!

Contest closes on April 30.

Attention to Winter Weather!

While the District tries to make the best decision with the information available, the weather does change quickly. Therefore, when schools remain open, decisions to stay at home during challenging weather conditions should be made by each family.

Schools are not routinely closed due to snow or other inclement weather conditions. All schools in School District 43 (Coquitlam) will remain OPEN, if at all possible, during winter weather, including snowfall.

However, on occasion, a district-wide or partial-district closure is required due to extreme weather. Partial-district closures affecting individual schools may occur due to the very different geography within our school district. If there is a partial-district closure affected, schools will be identified.

The decision on schools remaining open or needing to be closed, because of extreme weather, occurs **before 6:30 a.m.** so that families can plan and make alternate arrangements.

Any district-wide or partial-district closure will be decided and communicated by 6:30 a.m. via the School District 43 website www.sd43.bc.ca and CKNW AM 980 radio, CKWX 1130 radio and CBC (690) radio.

Extreme weather can also impact transit. Transit schedules may face significant changes or cancellations due to the weather conditions. Parents seeking information on transit schedules need to consult the Translink website: <http://www.translink.ca/>

We encourage families to continuously check the School District 43 website for updates and changes: www.sd43.bc.ca

Learn more about SD43's process for emergency and inclement weather status updates at: <http://www.sd43.bc.ca/NewsEvents/Pages/EmergencyInformation.aspx>
