### ***Student Learning Survey 2019/2020***

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents, teachers and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

Early in **2020** the Student Learning Survey will be administered to students in grade 7, their parents, and all school staff. We encourage parents to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school and/or district that focus on local conditions or issues may be included.

The survey can be completed electronically and can be accessed on the Internet at [http://www.bced.gov.bc.ca/sat\\_survey](http://www.bced.gov.bc.ca/sat_survey). Any computer with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link and the *Direct access* section of the log in page by selecting the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the *Results* section.

Computers will be made available to parents who wish to complete the survey but need a device. Please contact Ms. Jung at [kjung@sd43.bc.ca](mailto:kjung@sd43.bc.ca) to arrange this.

For parents who do not wish to use school computers, local public library computers may be another option. The e-survey site will be open early in the new year until mid-April.

If you have any questions, please contact Ms. Jung at [kjung@sd43.bc.ca](mailto:kjung@sd43.bc.ca). Thank you for your help.

### **Pi Day!**

Pi day is famously celebrated on 3.14 or March 14<sup>th</sup>! Those who wanted to get involved needed to memorize Pi to at least 20 past the decimal! Christine and Ms. Jung were tied at 26 past the decimal with just two days to go until Pi Day!

3.14 15 92 65 35 89 79 32 38 46 26 43 We are sure you can take 5 minutes to note some patterns to help you get just a little farther than Christine and Ms Jung?!

For those who do not know,  $\text{Pi} = \frac{\text{circumference of a circle}}{\text{diameter of a circle}}$ . The answer never ends and is therefore *infinite*! Get out some string, paper, a pencil and a ruler and try it! (circumference is the distance around the edge of the circle and the diameter is the distance from one side of the circle to the other, making sure to pass through the middle of the circle!) Good luck!

*Ms. Jung made Tarte au Sucre (sugar pie) to celebrate 3.14, otherwise known as Pi day*

## Science World

Great fun was had by all at our recent Science World field trip 🤔

Our Moody community had a wonderful opportunity to visit Science World in Vancouver. Using practical and systematic observations, students were able to investigate the physical and natural world through experience and live shows on the main stage. Highlights of the trip included the LEGO gallery, which showcased scale models of the world's landmarks and tallest buildings. The Eureka! Area which allowed our scientists to learn and apply principles of physics was also a hit. The Discovery Lab and the Optical Illusions areas challenged many of our students

to think creatively to solve different sorts of puzzles and illusions. We would like to thank all of the many parent volunteers who were able to help with this successful trip. There were a few clothing items and lunch kits left on our rack, if your child lost a sweater or other item, please have them check the lost and found at our school.

## Hand Washing Prevents the Spread of Germs

Consider the new no-touch greetings! Air high 5/Elbow to elbow, etc.

Wash your hands for 20 seconds (minimum) to fully clean your hands to limit the transfer of bacteria, viruses and germs. Wash your hands prior to handling food and after handling something dirty or something that has been handled by others (**playing cards, door handles, money, library books**). Avoid touching your face, especially your eyes, nose and mouth (because moist, warm areas spread germs more easily). When this is not possible, use a hand sanitizer according to the product instructions. Cough into your elbows to prevent the spread of germs. What else can you do to stay healthy and to help prevent the unnecessary spread of germs?

*On February 26, we wore pink to show an awareness for kindness towards others.*

## Happy ESP Day! It's St. Patrick's Day soon!

To celebrate St. Patrick's Day, students and staff were encouraged to wear green from head to toe! ESP otherwise known as Early St. Patrick's (ESP) Day was especially memorable for our StrongStart little ones under 5 years of age (and their guardians) who were treated to a special Irish Dance performance by Ms Benoit's talented son, Luc and his mini-troop of musician, Sarah and fellow dancer, Adelynne!

### Triad Conferences

This term, teachers have worked closely with students to ensure that as much learning and reflection on the core and curricular competencies has been made possible. Last week's conferences honoured this work and were, as a result, very meaningful overall! Thank you to parents for taking the time to recognize and review the work and reflections of our students by joining in the conversations. They were made richer and served to help our students purposefully reflect on their strengths and stretches this past term 2. This kind of conversation creates authentic and healthy goals to ensure that term 3 is as positive, rewarding and strong as possible! Your presence within our school was felt and certainly much appreciated!

### COVID-19 Situation Updates

Please check our website for updates over the holidays as we get ready to return to school. In the meantime, stay healthy by washing your hands for 20 seconds and enjoying a restful and safe holiday break! Perhaps this is a good time to check out our Book of the Year reads! See the LIBRARY section below for book titles.

### Munch-A-Lunch

Munch-A-Lunch will resume after the break. Stay tuned for dates and information about ordering hot lunches for your child(ren).

Cheers

À Bientôt

Mark Clay and Kathryn Jung

### Terry Fox School Run Resorts!

Our 2019 Terry Fox School Run was a great success! We are proud to announce that École Moody Middle School of the Arts has generously donated **\$7,069.85** for cancer research! The Terry Fox Foundation sends a big thank you to our school community for our generosity and support. 40 years later, Terry's message of hope lives on and stronger than ever!

### Cornerstones of ÉMMSOTA

This week, let's take a closer look at our newest SFU Student Teacher, **Mr. Dyllan Egilson** (pronounced "Ailson"). Mr. Dyllan John Daniel Egilson could have become an animator or a lawyer as he has a way with shapes and words, but lucky for us, he has chosen to become a teacher! He has fond memories of being a middle school aged youth who rode his bike around town with his friends! Thanks to his grade 11 English teacher, he got his first break and has not looked back! Mr. Egilson loves perogies fried with white onions topped off with sour cream and green onions! (Yum!) He loves the sly fox and is already a wise one as he has this wisdom to share with his students: "Always be the best version of yourself. You do it best!" If you see Mr. Egilson carrying a cup of coffee and hanging with his cats, you know he's a very happy individual! Welcome to EMMSOTA, Mr. Egilson! We hope your 3-week school experience and observation is enlightening!

## EGG DROP – EARTH POD

Students from Earth Pod worked in groups to create a contraption capable of withstanding the impact after being dropped from the 2nd floor of ÉMMSOTA. These three groups were chosen to represent Earth Pod.

Division 1 Sophie Z and Laura D

Division 3 Hailey D, Daniel C and Elena M

Not shown - Division 2 William J., Ryan W. and Alma W.

Division 1 students Sophie Z. and Laura D. also won a prize for their design and creativity! Way to go Earthies!

## COUNSELLOR'S CORNER

**FREE** Tutoring on Mondays!

We continue to offer tutoring with high school students from PMSS every Monday after school except for the first Monday of the month which is staff meeting day for the staff. We work in the library from 3:00-3:45 and **there is only 1 more session before spring break: March 9<sup>th</sup>**

If you would like to talk about your child's mental/social/emotional well being, please contact Ms. Armstrong, the school counsellor: [marmstrong@sd43.bc.ca](mailto:marmstrong@sd43.bc.ca)

### Spring Play Coming Soon!

This year, we will be performing Willy Wonka Jr!

Practices are Wednesdays & Fridays from 3-4pm. We look forward to our exciting new play at the end of April!

## VISUAL ARTS @ ÉMMSOTA

Mr. Walker's Expo Art classes provide us with a unique glimpse into the idea of reimagining a classic work of art through a new lens. Look carefully, you might spot a Cezanne, a Matisse, a Warhol, a Van Gogh...or one of several other great classics.

A tradition for our SD43 February ProD Day is to present the keynote speaker with a piece of student art work as a thank you gift. This year's conference theme, "Beyond Words: Taking Action" was the perfect match for this beautiful work (below) created by ÉMMOSTA's own Rojina M, who completed this project during her Art Explorations class with Mr. Walker.

### **WE Leadership**

We had a wonderful time at Scott Creek for the 2020 Leadership Conference! WE learned about empowerment, the power of perseverance, the power of dreaming big and how positive motion creates positive emotion!

We met Cody Deaner (famous wrestler) his motto: Just Giv'er and... you can be whatever you want to be, if you put in the work!

### **Band**

Our Senior Band will be playing at the PMSS Spring Concert next week on Tuesday, March 10<sup>th</sup> at 7pm. We will be playing the 1812 Overture with the PMSS Junior & Senior Bands, as well as the Port Moody Community Band. Please join us to support our students!

### **District Speeches**

Students Emma D (grade 6) and Benson M (pictured-grade 7) represented Moody Middle at the District Speech Finals on February 27<sup>th</sup>. Emma and Benson worked on their speeches during their own time and attended speech writing lessons through their lunches. All their hard work paid off and they did an excellent job representing Division 9, Fire Pod and Moody Middle!

### **MOODY ATHLETICS**

#### **Wrestling:**

Congratulations to all the wrestlers who took part this season. Wrestlers competed in three mini meets and then the District Meet. Although the numbers were down, there was a strong contingent of students that came on a regular basis. Best of luck and continue wrestling.

-Coach Lee

**SKI & SNOWBOARD CLUB**

The 2019-2020 ski and snowboard club has come to an end for this year. We celebrated this week with a Pizza Party! This year, many new students joined the ski and snowboard club and really improved their skills on the slopes. We were lucky to ski and snowboard in great conditions and a fun time was had by all!

A big thank you to all students, parents, teachers, custodians, and volunteer chaperones for supporting our ski and snowboard club this year!

-The Ski and Snowboard Committee

Winter sports are now complete. Thank you to all students for coming out and working hard to improve their skills in the various sports. Thank you as well to all of our parent volunteers who have helped with driving, fresh cut fruit, and cheering on our games. Pizza party for the Gr. 7/8 girls and Gr. 8 boys teams will take place after spring break.

**Spring sports will begin sign up after spring break.** If your child played on a school team in the fall or winter season, they will not have to pay a new fee for the spring teams.

TEAM	COACH(ES)	PRACTICE/GAME TIME
Wrestling – B & G, All grades	Mr. Lee, Mr. T. Kimoto, Mr. R. Kimoto.	The wrestling coaches would like to thank the wrestling team members who worked hard and competed at the District Meet. Our team wrestled strong with great tenacity. <b>After spring break, the coaches will have a sign up for a once a week wrestling club. Day and time TBA</b>
Bball Gr. 6 – Boys & Girls	Mr. Chambers, Ms. Linde, Mr. Zimmer	Year End Jamboree was a success for all. Thank you to parents and family for coming out to support of the players.
Bball Boys 7	Mr. Abello, Mr. Huang	The year end playoffs were very exciting for the gr. 7 boys. Every game was very close, within 10 points. The season is now

		complete. <b>Stay tuned for once a week open bball play.</b>
Bball Girls 7 & 8	Mr. Clay, Mr. Budai	The girls won their final playoff game to come 1 <sup>st</sup> in their playoff pool. Congratulations!
Bball Boys 8	Mr. Abello, Mr. Huang	The boys won all of their playoff games to win NW zone B-division championships. Each player contributed to the team's success. Congratulations!
Ski & Snowboard Club	Mme LeBlanc, Ms. Taylor-Hill	Thank you to all ski and snowboard club members. All students improved their skills and are ready to hit the slopes again next year! Thank you as well to all parent and teacher chaperones. <b>Members can now enjoy their season passes with their families.</b>

**Athletics Fee:**

Moody has a one-time per year Athletic Fee of \$15 – payable through [SchoolCashOnline](#). If your student is participating in any sport now or plans to participate in our clubs or teams throughout the school year, please pay this one-time fee.

Alex Abello, Athletics Director

**LIBRARY LEARNING COMMONS**

**Bookmark Contest**

ÉMMSOTA'S Bookmark Contest is back. Students are invited to use their artistic talents to create a bookmark for the Library Learning Commons. Designs need to be drawn on a form that can be picked up from Ms. Leonard in the Library and should have a book/literary/Moody focus with finished designs submitted by Friday, April 24. Students may submit more than one design. Winners will be chosen by a panel of judges and the winning bookmarks will be printed and distributed to students in May.

**MAKER SPACE IN THE LIBRARY LEARNING COMMONS**

*Jude H & Ken Y*

Our students are enjoying the new maker space in the library – making towers and other fun structures.

**PAC FUNDRAISERS:**

**Re: Fundraising Campaign for ÉMMSOTA / Moody Middle School Community**

The Moody Middle PAC would like to offer a “by donation” fundraising initiative along with ongoing fundraising efforts throughout this school year. We are asking parents for either a one-time donation, participation in fundraising events, or both throughout the 2019-2020 school year. Funds accumulated

will be used to purchase 'Wish List' items that staff and parents at Moody Middle decide will enrich our children's school experience. This year's PAC budget was discussed at the Monday, October 7, 2019 PAC Meeting.

**Here are some of the items funded by PAC dollars in recent years:**

- *Social media awareness presentations for students and parents*
- *fieldtrip transportation costs*
- *spirit wear t-shirts for all students*
- *digital camera equipment*
- *Cultural performances*
- *Grade 8 leaving celebration*

*Donations may be made through (click on one of the following options):*

- SchoolCashOnline system <https://sd43.schoolcashionline.com/>
- or by filling out the [ÉMMSOTA Donation Request form](#)  
*\*(see the end of our newsletter for a full copy of this form)*

Thank you in advance for your support!

## Flying Squad at Community Volunteer Connections

Community Volunteer Connections (CVC) is a non-profit organization whose mission is to bring communities together by promoting and creating meaningful volunteer engagement with other non-profit organizations.

The Flying Squad is a team of volunteers that help at one-off events, by our non-profit members, taking place in the Tri-cities area. High School students are invited to join the Flying Squad Team and give back to the community. Once the students have volunteered at the event, they would log their hours and CVC will keep track of the hours completed for graduation.

Dear EMMSOTA / Moody Middle families:

**Re: Fundraising Campaign for EMMSOTA / Moody Middle School Community**

The Moody Middle PAC would like to offer a “by donation” fundraising initiative along with ongoing fundraising efforts throughout this school year.

We are asking parents for either a one-time donation, participation in fundraising events, or both throughout the 2019-2020 school year. Funds accumulated will be used to purchase ‘Wish List’ items that staff and parents at Moody Middle decide will enrich our children’s school experience. This year’s PAC budget will be discussed at the Monday, October 7, 2019 PAC Meeting.

**Here are some of the items funded by PAC dollars in recent years:**

- *Social media awareness presentations for students and parents*
- *fieldtrip transportation costs*
- *spirit wear t-shirts for all students*
- *digital camera equipment*
- *Cultural performances*
- *Grade 8 leaving celebration*

Thank you in advance for your support!

Payment may be made through the SchoolCashOnline system ( [PAC Parent Donation Request 2019](#) ) or by filling out the form below and returning it along with payment to the office. Please make all cheques payable to Moody Middle School.
