## Notes from the Administration Team:

Greetings ÉMMSOTA Community.

We are well into February and the learning is exploding both within and outside of our walls. We are looking forward to sharing some of our learning with parents and guardians at our ***Communicating Student Learning Conferences March 3-5***. It is an exciting time as students reflect on both core and curricular competencies across multiple subject areas over the past couple of months. Some of our greatest knowledge comes from understanding how we learn and who we are as learners. Our process for communicating student learning identifies our students social emotional learning needs, strengths and stretches and establishes goals for future growth. One of the most significant factors for our young learners in establishing growth is in the dialogue that continues throughout the year between students, teachers and parents. Therefore, we emphasize the importance of our three-way conferences in Term One and Term Two. We are looking forward to seeing you all join us in a couple of weeks.

The month of February is traditionally devoted to a focus on **kindness**. We support campaigns in our district of **Real Acts of Caring (RAC)**, **Pink Shirt Day** and of course many of us represent sharing some love with others on Valentines Day. Kindness and caring are not a one-month deal. We use this month to highlight the need for more kindness and caring in the world and perhaps to ensure we don't lose sight of the fact that we need more of it on a daily basis. Some of the efforts our students have been involved in over the past few weeks have included a Soup Day, Karaoke lunch, Craft Activities to bring students together, and a 3 on 3 basketball tournament all sponsored by our We Leadership group. Our Spirit Team has been making announcements and has sponsored a **Kindness Board** highlighting students and staff who have shown a little extra kindness in classes, in the halls and around our school and community. Drawing attention to kind acts truly can become contagious. We thank both our Spirit Crew and WE Leadership students along with their staff sponsors, Ms. Egelstad, Ms. Paquette, Mr. Zimmer and Christine our amazing Youth Worker for nudging us all to share a little more compassion and care. We are bringing in a few other presentations for the students during our conference days that highlight kindness, caring and the arts in our school.

The usual middle school buzz is all about us as we race towards our March Break. Basketball teams are finishing up the regular season and heading into playoffs in the next two weeks and wrestling has its final competition on Thursday up at SFU. Mr. Lee has been extremely appreciative of the efforts of all our wrestlers. It is a small team with incredible heart and great attitude. Our Grade 6 students will participate in their basketball jamboree on March 6<sup>th</sup>. Once again, we have a large group of young players excited to be out there on the court. Good luck wrestlers and basketball teams.

The search for the Golden Ticket is alive and well. Willy Wonka Musical rehearsals are increasing their intensity as the 72 students involved work on their lines, stretch their voices and dance around the music room getting prepared for the big show running April 28-30. Huge thanks to our teacher sponsors Ms. Magnusson, Ms. Turje, Mrs. Reichert and I may have even had a Mrs. Ono sighting last week, so things really are ramping up. The walls are quickly turning from pink to purple!

Last week ÉMMSOTA sponsored a STEM (Science Technology Engineering and Math) Conference for Girls. 120 girls from across our district and New Westminster School District gathered here for an energizing day hosted by IBM and SD43. Girls learned the value of their potential future work in STEM fields and were inspired by stories of successes in the field. They were engaged in design thinking activities and learned more about areas of cyber security and technology across multiple domains. Superintendent and CEO of SD43 Patricia Gartland opened the day for the girls with some inspirational words of wisdom for young women engaging in their future career passions. We thank SD43 and IBM for the opportunity to host this event. This week we will be sending a delegation of students to the Tri Cities Kids Matters Conference, in support of the rights of the adolescent in the Tri Cities. This should also be an exciting opportunity for students to be actively involved in how we shape our communities. Good luck to those students participating. We believe you can and will make a difference.

As you can see there is never a dull moment here at ÉMMSOTA. We are proud of what we accomplish daily. Please take the time to celebrate even the small achievements daily. Your children truly are amazing, and we thank you for sharing them with us each and every day!

Cheers

Coached by **Mr. Abello**, the grade 7 boys basketball team played well against **Glenbrook Middle School** from New Westminster in a friendly exhibition game this week! Way to go, boys!

### **Hand Washing Prevents the Spread of Germs**

Wash your hands for 20 seconds (minimum) to fully clean your hands to limit the transfer of bacteria, viruses and germs. Wash your hands prior to handling food and after handling something dirty or something that has been handled by others (playing cards, door handles, **money**, library books). Avoid touching your face, especially your eyes, nose and mouth (because moist, warm areas spread germs more easily). When this is not possible, use a hand sanitizer according to the product instructions. Cough into your elbows to prevent the spread of germs. What else can you do to stay healthy and to help prevent the unnecessary spread of germs?

### **Pink Shirt Day**

Special thanks to the many students and staff who supported the annual Terry Fox Pink Shirt Day fundraiser for KidSport this year by purchasing a pink shirt! It is true that "Kind is the New Cool!"

*On February 26, wear pink to show an awareness for kindness towards others. For those who have forgotten, here is the original story:*

<https://www.cbc.ca/kidscbc2/the-feed/what-is-pink-shirt-day>

In 2007 in Nova Scotia, Grade 12 students David Shepherd, Travis Price and a few friends saw that a Grade 9 student was being bullied for wearing a pink shirt on the first day of school. They knew they had to do something to show that this kind of behaviour was not OK.

They decided to go out and buy a bunch of pink shirts and hand them out to other students to wear.

By the end of that week, most of the students in the school were wearing pink shirts to show support for the Grade 9 student who was bullied.

### **What is bullying and how can you stop it?**

**Bullying** is when someone deliberately tries to hurt someone else that they think is weaker than they are. In many cases, bullying is repeated over and over and can cause a lot of pain that lasts a long time. It can even lead to things like depression, anxiety and low self-esteem.

Bullying happens in many ways, but some common forms of bullying are **verbal** (teasing, name-calling), **physical** (hitting, kicking, pushing, breaking someone's toys or favourite things) or **social** (leaving someone out, spreading rumours).

**Cyberbullying** is using social media or other technology like texting to threaten, embarrass or even damage a person's reputation.

**Stop the negative chain of events by standing up to the bully.**

**Use your words. Say "STOP!"**

**Walk away.**

**Tell an adult.**

**\*Doing the right thing takes courage. You can do it! Every day.**

**Be KIND.**

### Cornerstones of ÉMMSOTA

Mme LeBlanc recently tied the knot and is now Mme De Santis, although she plans to keep her professional name unchanged. Congratulations to Mme LeBlanc!

Mme LeBlanc was born in Cheticamp, Nova Scotia where her fondest memories of being a middle schooler were of the times she spent with a small group of friends enjoying movie nights, riding their bikes, baking cookies, and playing sports. How sweet it is that they remain good friends to this day! Her first real break was at 10 years of age when she joined a local band playing in a hotel lounge entertaining folks who had just disembarked a tour bus. Her Dad was also a band member – he played the piano along with another violinist and guitarist while Mme LeBlanc sang and step danced! As someone who cannot live without her family and friends, Mme LeBlanc takes her cue from her boss when she worked at a bakery as a teen. He fought a long, hard battle with cancer (and unfortunately passed in 2010) but his life motto carries on in her! He was someone who had a positive attitude and a big smile and so she now tries to apply this attitude and his advice in her everyday life: Work hard, have faith, and keep smiling!

### SKI & SNOWBOARD CLUB

We've had a fantastic 4 days & nights of learning up at Mt. Seymour, with students improving their ski & snowboard skills from beginner to advanced levels! This week gave us spectacular 'blue bird' days and sunset nights that we all enjoyed. As in other years, we will finish up our S&S club with a pizza party – coming soon. Students are asked to listen to the announcements for the date.

Thank you to all our staff and parent volunteers who help to make Ski & Snowboard Club possible, and a success!

*If you would like to talk about your child's mental/social/emotional well being, please contact Ms. Armstrong, the school counsellor: [marmstrong@sd43.bc.ca](mailto:marmstrong@sd43.bc.ca)*

### Spring Play Coming Soon!

This year, we will be performing Willy Wonka Jr!

Practices are Wednesdays & Fridays from 3-4pm. We look forward to our exciting new play at the end of April!

## VISUAL ARTS @ ÉMMSOTA

This year's Art Club got off to a flying start with a lesson in mehndi, also known as henna design. After researching a variety of henna styles, students designed their own patterns and transferred these designs onto their own hands themselves. Mr. Walker, as well as Ms. Reichert were on hand, so to speak, to ensure that these beautiful designs were completed to the student's satisfaction. As you can see, the results were quite stunning. Well done Art Club!!!

Dear EMMSOTA / Moody Middle families:

**Re: Fundraising Campaign for EMMSOTA / Moody Middle School Community**

The Moody Middle PAC would like to offer a "by donation" fundraising initiative along with ongoing fundraising efforts throughout this school year.

We are asking parents for either a one-time donation, participation in fundraising events, or both throughout the 2019-2020 school year. Funds accumulated will be used to purchase 'Wish List' items that staff and parents at Moody Middle decide will enrich our children's school experience. This year's PAC budget will be discussed at the Monday, October 7, 2019 PAC Meeting.

**Here are some of the items funded by PAC dollars in recent years:**

- *Social media awareness presentations for students and parents*
- *fieldtrip transportation costs*
- *spirit wear t-shirts for all students*
- *digital camera equipment*
- *Cultural performances*
- *Grade 8 leaving celebration*

Thank you in advance for your support!

Payment may be made through the SchoolCashOnline system ( [PAC Parent Donation Request 2019](#) ) or by filling out the form below and returning it along with payment to the office. Please make all cheques payable to Moody Middle School.
