Greetings EMMSOTA Community,

Our first few weeks into the new decade and the pace of school and learning is really picking up. Life at École Moody Middle School of the Arts is in full swing both in and out of the classrooms. Our Moody Matters news updates usually capture some of the highlights going on in the school. Here are just a few of mine, noticeable in the first few weeks back from break.

** Learning is everywhere...as I walk through the halls at any given time of day, I see students in classrooms and spilling out into the halls collaborating, planning, cooperating, learning, in all nooks and crannies of the school. Our learning spaces take on new looks everyday and it speaks to our belief in flexible learning spaces and individual student engagement.

** Our move to BYOD is now school-wide as our final two Pods came on board upon our return from break. Teachers and students are navigating the enhanced learning opportunities that technology offers while being mindful of screen time and digital responsibility. Lessons and conversations continue to remind students how we can be better digital citizens and ensure that technology does not consume us.

** Health and Wellness continues to be our school wide focus as we plan for our Health and Wellness Fair in May. Daily Art provides a mindful outlet that sets us up for the day while accessing our creative side and establishing healthy brain activity first thing in the morning.

** The second round of BRICK has begun, and students are building relationships, inquiry, creativity and knowledge across several different activities such as Minecraft, Knitting and Weaving, The Art of Calm and Lego Building to name just a few. Our BRICK establishes new relationships with other students and adults across the school outside of the regular classroom. It is a strong part of what we do differently at the middle level.

** It is a very Musical time of Year...yes, our school musical is underway as students have chosen this as their BRICK choice and rehearsals and auditions are ongoing as we prepare for Willy Wonka in April. Sixty-four students are already involved, and the excitement will continue to build right up to our performance in Late April.

We had the pleasure of hosting our Superintendent, Patricia Gartland and Assistant Superintendent Reno Ciolfi for a quick walkaround and tour of all that is ÉMMSOTA. They were very impressed with the energy and enthusiasm apparent in the many different activities going on around the school. It was nice to be able to brag about all the great things going on around here, a testament to our staff, students and extended learning community!

February is upon us soon and we are looking forward to our focus on kindness and caring. Stay tuned for events and ideas coming up around the school.

Thank you as always for sharing your children with us every day.

Cheers... À bientôt...

The Board of Education appreciates and recognizes your many and valuable contributions to our school communities. With that in mind, we wish to invite you to participate in the 2020-21 Budget Process.

We invite you to share your input at our first budget meeting on Tuesday, February 11, 2020, in advance of staff preparing the budget. Your input can help shape the budget proposal for the Board of Education to consider in April 2020.

In addition, we welcome your attendance at any of the three stakeholder information and feedback events in April, or through email (budgetfeedback@sd43.bc.ca) or mail.

Please visit the SD43 Budget website at www.sd43.bc.ca/budget to:

- Learn about government funding and allocation;
- Learn about the SD43 budget process;
- Learn about *Directions 2020*, the School District's vision;
- Engage in the consultation by asking questions about the budget;
- Expect responses to your concerns and input; and
- Contribute ideas that align with the goals and objectives from *Directions 2020* on how to address the opportunities and challenges.

We look forward to hearing from you.

Yours truly,

SCHOOL DISTRICT NO. 43 (COQUITLAM) Board of Education

Vice Principal's Messages

Superintendent Patricia Gartland Visits

We were honoured to have **Superintendent Patricia Gartland** visit yesterday! She was accompanied by our **Assistant Superintendent Reno Ciolfi** who both toured our school with the guidance of two student leaders, **Yik** and **Sophia**. They visited in classrooms and spoke with various staff along the way!

Strong Start has a new home!

Strong Start has officially moved to our new space on the main floor across from the office. **Superintendent Patricia Gartland** stopped in to see a full house as children and their parents were getting ready to head to the gym for some games and play time! **Ms. Benoit** has worked hard to create an inviting space so that children can be creative and have fun singing, playing and building things together!

Egg Drop Competition!

Our students have been preparing for their Team Egg Drop Challenge as our school-wide competition commences next Friday afternoon! Students' creations must be creative, compact, use recycled materials and most of all, be effective at protecting a raw egg to withstand a drop from a 25- or 30-foot drop! May the best egg win!

Asian Lunar New Year of the Rat!

Our grade 6 students are Rats according to the Lunar calendar because they were born in 2008! Rats have been thought to be smart, good at saving and witty! Students celebrated with **Ms. Jung** and **Mr. Clay** by sharing chocolates, good wishes and lucky red envelopes! This week, **Ms. Paquette's** class with the support of **Ms. Jung**, will share wonton dumplings with all their peers! May this year bring our Asian community much happiness, prosperity and good health!

Staff versus Students Volleyball Game

Last Thursday at lunch, the staff played an intense game of volleyball against the students in grade 8! While the game was close near the end of the match, the staff pulled off another win for a clean streak not to be broken since 1996! Thanks for coming out and letting the staff win, grade 8s! We appreciated the support of all our students and staff who came out to cheer us on! Go Moody!

(Too bad Mr. Clay and Ms. Benoit missed their photo op!)

Winter Weather Ahead!

Schools are not routinely closed due to snow or other inclement weather conditions. All schools in School District 43 (Coquitlam) will remain OPEN, if possible, during winter weather, including snowfall.

However, on occasion, a district-wide or partial-district closure is required due to extreme weather. Partial-district closures affecting individual schools may occur due to the very different geography within our school district. If there is a partial-district closure affected schools will be identified.

The decision on schools remaining open or needing to be closed, because of extreme weather, occurs **before 6:30 a.m.** so that families can plan and make alternate arrangements.

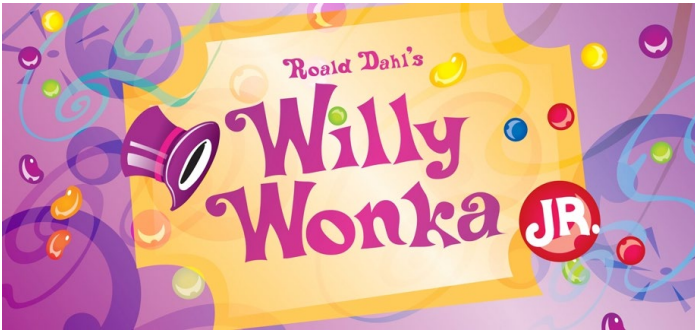

While the District tries to make the best decision with the information available, the weather does change quickly. Therefore, when schools remain open, decisions to stay at home during challenging weather conditions should be made by each family.

Any district-wide or partial-district closure will be decided and communicated by 6:30 a.m. via the School District 43 website www.sd43.bc.ca and CKNW AM 980 radio, CKWX 1130 radio and CBC (690) radio.

Extreme weather can also impact transit. Transit schedules may face significant changes or cancellations due to the weather conditions. Parents seeking information on transit schedules need to consult the TransLink website: <http://www.translink.ca/>

We encourage families to continuously check the School District 43 website for updates and changes: www.sd43.bc.ca

Learn more about SD43's process for emergency and inclement weather status updates at: <http://www.sd43.bc.ca/NewsEvents/Pages/EmergencyInformation.aspx>

WINTER FUN AT ÉMMSOTA

Not all students like sledding on Moody Mountain; here we have a snow duck made by Holly L, Sophie C and Hannah W.

Cornerstones of ÉMMSOTA

We continue to get to know the people who make ÉMMSOTA a special place!

Since Mr. Walker is now here 5 days a week, let's learn more about what makes him l'artiste extraordinaire!

Mr. Adrian Walker was born in the Lake District of Cumbria, England. He wanted to become an air force pilot as a child and fondly remembers playing floor hockey in the school gym. (Yes, he was an amazing goalie!) Thankful to a childhood friend for lining up a job with the Vancouver Opera's *Opera in Schools Program*, Mr. Walker has never looked back! He believes that students should, "Do the best you can do!" while the best advice he received was "If you can draw, you can do anything" (i.e. paint, sculpt, photograph). He also appreciates the wisdom of Pablo Picasso: "It took me four years to paint like Raphael and a lifetime to paint like a child."

Interesting facts about Mr. Walker

Books he loves: *The Brothers Karamazov* by Dostoyesvsky, *Don Quixote* by Cervantes and *Anna Karenina* by Tolstoy

Movies he enjoys: Solaris by Andrei Tarkovsky, One Flew Over the Cuckoo's Nest by Milos Forman and Allen by Ridley Scott

Dog he wants: Black German Shepherd

Favourite Food: Indian

Amazing story: A large photograph of Mr. Walker sold at Christie's auction house in New York for over 1 million dollars (\$1,150,000). Wow!

What an honour it must have been for Mr. Walker to visit Cambridge with his daughter who is looking at art schools in England! (She has good genes, a huge heart and an amazing work ethic like her Dad so we wish her well!!)

The 2nd annual Book of the Year Contest is underway. Students need to read at least 3 books to be eligible to vote for their favourite and the contest closes at the end of April.

The books have proven popular, with most of them not staying on the shelf for more than a day. Students are encouraged to return their Book of the Yearbook as soon as they are finished reading it, to allow other students the opportunity to check it out. For those students who have filled out their bookmarks, we will be starting weekly draws for prizes. Happy Reading!

Pinetree Secondary 'Museum of Art' – public viewing and tours

Twenty years ago, the Visual Arts Department at Pinetree Secondary embarked on a program to build something unique among high schools - a museum of art history masterpieces, reproduced entirely by students. Today, that vision has grown to include nearly ninety reproductions of iconic art - art that informs, inspires, and teaches.

A Night at the Pinetree Secondary "Museum of Art" is an opportunity to view and experience this unique collection of art – paintings, drawn interpretations of important photographs, and mixed media - in its entirety.

Please join us on Wednesday, February 19 at 7pm, as we open our doors to public viewing and tours at **Pinetree Secondary, 3000 Pinewood Avenue**.
