IRON CHEF MOODY!

Recently, students in Ms. Jung's class accepted a challenge to cook a small snack using available produce, spices and basics from the pantry. What can be made in a 40-minute class including clean up and eating time? How about Glazed Carrots and Potato Wedges (broiled in the oven)!

THE 12 DAYS OF GIVING

Thank you to all families for taking part in this year's **12 Days of Giving Campaign**. It was very successful as we collected non-perishable foods picked up by our local Port Moody Firemen and sent to the Share Society for sorting and distribution. Together, we've given back to our community and worked as a team to lift each other up! Special thanks to Ms. Egelstad for working with our diligent volunteers including Emma, Emilie and more leadership students who came out early to help out each day during December! These students also gave up their lunch breaks to collect, deliver and sort food each day from each class to help us maintain a sense of safety during what is a challenging time for many.

Donations can still be made to School Cash Online!

<https://sd43.schoolcashionline.com>

All donations over \$25 are eligible for a tax receipt.

What is it for? These items will help us make up our **CHRISTMAS HAMPERS** for Families in our Moody Community, as well as donating directly to the **SHARE FOOD bank**.

WHERE? Students are asked to drop off their items outside the front entrance where leadership students will collect, store, and record the items.

CONTEST??? Yes, there will be a friendly challenge between classes and Pods. Leadership students will keep track and post the results daily in Pod Areas. Stay tuned for the results! Your child will hear the final results during our PA Announcements also found on our website.

Thanks for giving generously, your help is much appreciated 😊

SPIRIT WEAR

WINTER CONCERT

EMERGENCY AND INCLEMENT WEATHER COMMUNICATION

As our weather is changing quickly, please be prepared by planning ahead to arrive to school in a safe and timely fashion with students dressed appropriately for learning and play both indoors and out. In the event there is significant snowfall overnight or if you are questioning whether the school is open, please watch our school (or District) website for a status banner which will provide the latest important updates. PROGRAMS OF CHOICE AND CROSS CATCHMENT

Programs of Choice Registration (Late French Immersion)

Late Programs of Choice On-Line Applications for Middle School:

Opens January 6, 2022 at 9am

Closes January 12, 2022 at 4pm

The link to application will be posted on the school district website. <http://www.sd43.bc.ca>

Parents must apply in this time period to be considered for placement. Selection will be done by a random lottery draw with priority given to younger siblings of students who will be attending the Program of Choice at the same school in September 2022. Children who are not successfully placed will be on a waitlist.

Parents who currently have a child attending a Program of Choice and wish their upcoming child to enter must still apply and indicate “Confirmation of Sibling Status applies”.

For more information about the Application Process please view the attached brochure :

http://www.sd43.bc.ca/Programs/Documents/SD43_Program_Reg_Info_2022.pdf

For more information on Programs of Choice, please visit:

Cross Catchment On-Line Applications

Opens February 4, 2022 at 9am

Closes February 9, 2022 at 4pm

The process order is done by a computer-generated random draw.

If you wish your child to attend a different school than his/her catchment school, then you the parent/guardian must apply for a cross-catchment placement through the School District web site <http://www.sd43.bc.ca>

Students who have a sibling at a school outside their catchment, will be accepted at the sibling’s school (provided the sibling will be in attendance when the student begins at the out-of-catchment school).

Parents still need to complete the cross-catchment application confirming sibling status.
