

IMPORTANT DATES – 2021-2022

JUNE	
13	PAC Meeting 6:30pm – Library Learning Commons
28	School-Wide field trip to Sasamat Last day of school for Grade 6 and 7 students
29	Last School Day/Progress Reports sent home/ Grade 8 Leaving Ceremony in the morning 9:30-11am
30	Administrative Day – Schools not in session

DRAMA CLUB

The Drama production, *With Great Power Comes Great Responsibility*, by **Ian McWethy**, was presented by our Drama Cast and Crew this year. Undoubtedly an important part of our school culture, we were fortunate to have a production return to Moody this year. Special thanks to **Ms. Magnusson**, the Theatre Director and her assistants, **Ms. Turje** and **Ms. James**. **Mr. Clay's** cameo which was such a fleeting moment that it was not captured in time for the record books!

PROJECT HELLO

Recently, we received a \$1500 Multicultural Grant towards a project which was determined would set out to welcome students, staff and guests to our school. There are three parts to this project put together by **Ms. Jung's** Challenge students.

Street Banner Contest

Students were encouraged to enter a contest with the winners receiving full colour coverage of their art on the 24"x48" street banners you see in the parking lot! The theme was one or a combination of: Identity and Belonging, the Environment, or the four pods. Congratulations to our students whose art is featured at the front of our school! These banners were printed at The Flag Shop and will last 5-10 yrs.!

STREET BANNERS

Jessie X., and Boya L.

Missing – **Chloe Su**
Ms. Jung is proudly showing her banner (far right)!

Maia D.

Emma D.

Laurel D.

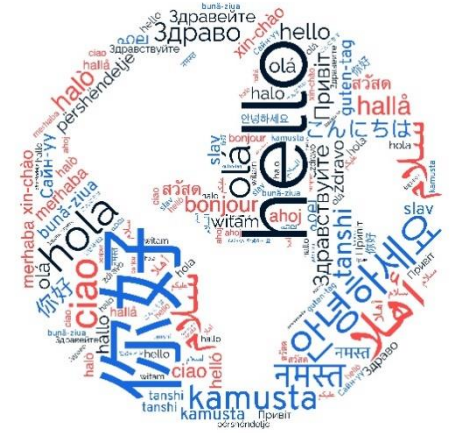

Indigenous Plants

A closer look will reveal the indigenous plants that were purchased at Suwa'ikh at Millside School in partnership with Fresh Roots in support of Indigenous programs. Special thanks to **Mr. Clay** and our student shoppers: **Kevin, Anthony, Grayson** (pictured below) and **Oliver**! You'll see Salal, Camas, Kinnikinnick and Garden Lupine, to name a few! In the garden, you'll soon see salmonberry and huckleberry, too!

Welcome Banner "Hello!" "Bonjour!"

In the front foyer, you'll see the results of our survey of students and staff. A wordle represents the frequency of each language spoken in school. The larger the "Hello" in more than 33 languages, the more people in the school who speak a language other than English at home! The three most frequent languages in school are English, Chinese (Mandarin and Cantonese are listed together because the character looks the same but it is pronounced differently. Cool!) and Korean!

PRESENTATION OF LEARNING

We welcomed our extended community back into our building for our annual Presentation of Learning. It was amazing to see parents and family members back in with us celebrating their child's work and accomplishments throughout the year. Some incredible work was on display highlighting our school wide theme of "Identity and Belonging". We thank our teachers, staff and students for pulling this event together for our community. It was great to see the smiles on the faces of our parents as they admired the student work.

Gauss Mathematics Contest

This year, there were 80 contestants who wrote the Grade 7 Gauss Contest or Grade 8 Gauss Contest put on by the Centre for Education in Mathematics and Computing (cemc.uwaterloo.ca), University of Waterloo. The students who wrote answered 25 multiple choice questions in three parts using strategy to aim for a personal high score! Unanswered questions garnered 2 points up to a total of 20 points so students needed to weigh the possibility of getting the question right with the guarantee of receiving 2 points per question! What would you do?! Each part was progressively more difficult with only 60 minutes to write! Congratulations to all students who accepted a math challenge and had fun, too!

Can you do this question that appeared on both tests? (Diagram not included)

The faces of a cube are labelled with 1, 2, 3, 4, 5 and 6 dots. Three of the faces are shown. What is the total number of dots on the other three faces? (Shown are 1, 3 and 5 dots.) Answer below list of names.

Section A 10 questions 5 points each

Section B 10 questions 6 points each

Section C 5 questions 8 points each

*Students who received Outstanding Achievement (1-2 high scorer(s) in each grade)

**Students who received a certificate of Distinction (Top 30%)

Answer: 12 dots

WIND POD

Health and Wellness with Wind Pod

Over the last month, Wind Pod students participated in a variety of learning opportunities to support health, wellbeing, and personal growth. We began with a field trip to Noons Creek Fish Hatchery to explore and learn about our local community which included releasing salmon, visiting the heron nesting site, and learning about Indigenous House Posts. Next, we invited a certified Yoga instructor to share her passion and expertise with us. This was followed by a visit to one of our local community gardens located next to the Port Moody Police Station. Next, we invited a motivational speaker, Randy Celebrini (physiotherapist, artist, and EMMSOTA parent) as a lead in to our first ever mini-Health and Wellness Conference. Our field trip to Rocky Point Park included activities such as rugby, baseball, football, cross fit, yoga, drumming, drama games, shoreline clean-up, arts, and crafts led by members of the local community and pod teachers. We rounded out our day with an Amazing Race event.

<insert pictures here>

Through the teaching of the medicine wheel, students were introduced to the idea of 'balance'. We have continued to explore 'balance' by helping with our school garden. Students have taken turns shoveling, planning, and planting. We invited Rob Cowie from our SD43 Indigenous Education Department to share his knowledge of local plants. As part of our Presentation of Learning, families were invited to add their ideas to our medicine wheel.

PLANETARIUM FIELD TRIP -Monday May 30

What a great day! On Monday, the students of Water Pod went to the HR MacMillan Space Center for a field trip. Each class did three activities. They explored the Cosmic Courtyard Exhibit which allowed the students to get a deeper understanding of some of Astronomy's most fascinating facts and discoveries. They also learned about light pollution, climate change, deep space, and the potential for life on other planets. The students then sat back and enjoyed learning about Space in the Planetarium Star Theatre. They traveled from Earth through our solar system and beyond our Milky Way Galaxy learning about recent discoveries that expanded our understanding of the universe. The last activity was a workshop where the students applied basic concepts of physics to design, build and then launch a simple rocket using a 2L pop bottle.

The students also had time to explore the beach at Vanier Park. I am sure all the tiny shore crabs were happy when we left! It was a great day and we all very happy that we are allowed field trips again. 😊

THANK YOU to our Moody Community for your generous Donations to:

BC Children's Hospital, we raised \$125 through the online website Moody Middle link,

Red Cross Humanitarian Relief Fund for the Ukraine, we raised \$360 with our Freezie Sales.

A BIG THANK YOU to all students, staff and Moody families that have donated to these two important causes. Once again, our Moody Community continues to come together in tough times, to make a difference, and show kindness to others.

We are sending this on behalf of our school, but also from the thousands of children and families who count on BC Children's Hospital for specialized care each year and the Red Cross for Humanitarian support.

Thank you for helping continue the Moody tradition of generosity and kindness!

SCHOOL START

School Start School Supply Lists are here for the 2022-2023 school year. Get a head start on your shopping for next year and support our school initiatives! The list can be found by visiting SchoolStart.ca (or our website)! Good luck!

Never Ending Journey... By Calli Sherer and Emilie Shin (June 29, 2022)

Intro: Today we say hello to everyone who has made this day possible, and the people who are here in this memorable moment in our journey of life. My name is Emilie Shin, and my name is Calli Sherer, and today we will be sharing with you this poem written by us called "Never Ending Journey".

Today is a day to celebrate and bid farewell

To await and look forward to a distant future.

Though we know we must move on, we will always share our bonds.

To the near future we will see, many experiences that are yet to be

And despite the obstacles that we may cross, with what we've learned, we won't get lost

Within our hearts we won't forget who we are and the people we've met

Though we found our journey's end, our time together was worth the spend

We thank Moody for this community, for we are family when in unity.

Even if we worry we'll fade apart; We will always keep you in our hearts.

To move on and say, "Will we meet again someday?"

Is a question left to fate, only time can tell, what it really means to bid farewell.

Either way, we wish to say...

Thank you for all you've done each day.

We have learned that as a team, things aren't as difficult as they may seem

With the support of our peers, and our Moody team, the future is bright and full of dreams

And even if the road is steep, we will all have these memories forever to keep.

Our journey together may be over, but our paths will cross again

Goodbye for now, only means farewell, until we meet again.

So, as we walk away from our beloved Moody Middle

We hold our heads high, and turn to a new chapter in our lives,

Ready to explore the future.

Starting now.

High school, here - we - come!

SUMMER LEARNING MIDDLE

Summer Learning – Updates:

The school district's Summer Learning program offers free* courses to middle school students.

[Click here to register today!](#) Classes are Tues. July 12 to Fri. July 29, 8:45-11:45am. There is still space in the following classes:

At [Hillcrest Middle](#):

Class ID#	Class Name
4900	Advanced Band / Visual Arts 6/7/8
4901	Advanced Band/Beginner Band 6/7/8
4902	Beginner Band / Visual Arts 6/7/8
4903	Creative Writing Grades 6/7/8
4904	Integrated Studies: Creative Writing / Art – “Movie Making” Gr. 7/8
4905	English for Beginners for School Success Grade 6-8
4906	English Language Arts Grade 6/7
4908	English Language Arts Grade 7/8
4910	Math Skill Building Grade 6/7
4913	PE / Leadership 6/7/8

At [Kway Middle](#):

Class ID#	Class Name
4919	English Language Arts Grade 6/7
4920	English Language Arts Grade 7/8
4921	French Immersion Language Art Grade 6/7/8 (Only for students already in French Immersion)
4922	Guitar Skill Building Grades 6/7/8
4926	Math Skill Building Grade 6/7
4928	Math Skill Building Grade 7/8
4930	PE / Leadership 6/7/8
4933	Science (Outdoor Focus) Grade 6/7

SUMMER CAMPS

JOBS WITHIN SD43

Casual Clerical

Coquitlam School District invites applications from individuals for the position of on call casual clerical.

This on call position provides administrative support at elementary, middle, and secondary schools as well as other various district locations throughout the district in Coquitlam.

The successful candidate must have a strong ability to multi-task and interact with students, parents, teachers, support staff and administration.

Applicants must be able to type a minimum of 50 wpm. A strong secretarial background is required, and knowledge of bookkeeping and accounting is an asset.

Successful candidates will be available Monday – Friday, 5 days per week and be willing to accept callouts to all locations in our District. We offer \$26.09-\$ 27.39 per hour plus 16% in lieu of benefits.

To apply, please click on the following link and create a user account/profile. <https://ejp.sd43.bc.ca/postings/Account/Login>. Once you have completed your profile you will have access to the job postings. Please attach a cover letter and resume.

Casual Noon Hour Supervisors

School District #43 Coquitlam is looking for Casual Noon Hour Supervisors. This position requires individuals to be available on an On-Call basis to supervise students indoors and outdoors during lunch break (one hour per day) at various schools throughout the District in Coquitlam, Port Coquitlam, Port Moody and Anmore.

Previous experience working with groups of children is an asset. Successful candidates will be available over the lunch hour Monday – Friday, 5 days per week while the school is in session and be willing to accept callouts to all schools in our District. We offer \$22.30 per hour plus 16% in lieu of benefits.

To apply, please click on the following link and create a user account/profile. <https://ejp.sd43.bc.ca/postings/Account/Login>. Once you have completed your profile you will have access to the job postings.
