Vice Principal's farewell, with gratitude

A very special kind thank you to our PAC executives, Kerry LeCorre (co-chair), (Kimiko McDonnell – co-chair) Samantha Kuypers and Alicia Purvis for my thoughtful send off at the Grade 8 Leaving Ceremony! I am truly touched and honoured to have such lovely memories of my time here. I loved working with those of you with whom I connected during my time here. So, what does a VP receive upon leaving a special place as this besides a bursting heart and a waterfall of tears?! What I received from you was a gift card to Michaels which is most fitting for the crafter in me! I also received the most exquisite set of Japanese bowls (below) which I will use on my new desk for special things that will sit not far out of reach in my new office! Thank you.

In addition, the staff presented me with some beautiful memories in addition to this beautiful new framed piece of art commissioned by Mr. Walker and Mr. Clay, from our very own **Boya Li** who is moving on to secondary school (see below). I hope you will visit to see it in person.

Thank you for putting your trust in your administration team of Mr. Clay, me, and our staff. Our students have shown such resilience as we have emerged (mostly) stronger especially from the pandemic months and years we shared together, I am so grateful.

I take away the best parts of each of our students who are extensions of your families. I take away the best parts of each of our staff members who are some of the most inclusive, kind and thoughtful people I have worked with. I take away the best parts of Mr. Clay and especially what I have learned from working alongside him for more years than I should have. (Lucky me!) Mr. Clay is an intelligent, kind, genuine, charismatic and giving person. I should know, because I have appreciated his mentorship and friendship for more than 8 years as partners together, when we first connected at Anmore Elementary in 2006, again at Maillard Middle in 2011 and then Moody Middle in 2018. Thank you!

Ms. Goodridge will be your new Vice Principal! She has a wealth of experience at middle and we have worked together as administrative colleagues for more than 6 years! She will work hard for you because she has a strong skillset that will compliment Mr. Clay's leadership, and the school's needs. She is going to love it here, too!

For now, however, summer is here! I wish you well as you relax, recharge, reconnect with family and friends and take time with the family.

This is not farewell but rather, see you soon, when our paths cross again. Whether within the neighbourhood or at Gleneagle Secondary School, I am encouraged to know that about 24 of this year's grade 8s will be joining me to maneuver our way through some new territory. Change is amazing and I am going to embrace it because I have gained the courage to be resilient by spending time with all of your amazing children by my side.

Middle School of the Arts. **Hannah Kim** and **Ms. Jung** played a twin piano duet during the procession. **Jessie Xiao** was also scheduled to perform however, the students walked more quickly during the event than they did in the rehearsal. We have heard Jessie perform before at the Talent Show. She is an amazing pianist, too! Students selected Pod speakers to represent them at the Leaving Ceremony. The speakers were: **Elin Abercrombie** of Earth Pod, **Parsa Beheshti** of Wind Pod, **Kashvi Kothvial** of Fire Pod and **Adison Mon-Kau-Hardy** of Water Pod. They collaborated together and thus, the joke was on **Mr. Clay!** Each of them asked him to answer a Dad joke, just like he has put out to students all through the year! This is a group with much savvy and confidence! Way to go!

We also heard from our Moody Middle School Choir with a beautiful performance of ***This Is Me*** arranged by **Mac Huff**, led by **Ms. Reichert**, our Choir Director. The solos by grade 8 students, **Elin Abercrombie** and **Brayden Jia** stole the performance!

Special thanks to our PAC executive members because their middle schoolers are going to secondary school in September! Thank you to **Samantha Kuypers** and **Alicia Purvis** for their dedication to all things Moody!

Below, please enjoy the inaugural Spoken Word poem (Slam Poem) created by Fire Pod students, **Calli Sherer** and **Emilie Shin**. Do you agree that although this poem was performed for the Class of 2022, a little tweak of the last line and this poem is suitable for our students moving into grade 7 and 8 as well!

On behalf of our staff, good luck and best wishes to our grade 8 Class of 2022!

Never Ending Journey...

By **Calli Sherer and Emilie Shin (June 29, 2022)**

**Today is a day to celebrate and bid farewell
To await and look forward to a distant future.
Though we know we must move on, we will always share our bonds.
To the near future we will see, many experiences that are yet to be
And despite the obstacles that we may cross, with what we've learned, we won't get
lost
Within our hearts we won't forget who we are and the people we've met
Though we found our journey's end, our time together was worth the spend
We thank Moody for this community, for we are family when in unity.
Even if we worry we'll fade apart; We will always keep you in our hearts.
To move on and say, "Will we meet again someday?"
Is a question left to fate, only time can tell, what it really means to bid farewell.
Either way, we wish to say...**

Thank you for all you've done each day.

**We have learned that as a team, things aren't as difficult as they may seem
With the support of our peers, and our Moody team, the future is bright and full of
dreams
And even if the road is steep, we will all have these memories forever to keep.**

**Our journey together may be over, but our paths will cross again
Goodbye for now, only means farewell, until we meet again.
So, as we walk away from our beloved Moody Middle**

**We hold our heads high, and turn to a new chapter in our lives,
Ready to explore the future.**

**Starting now.
High school, here - we - come!**
