SD43 Middle School Book of the Year 2025

Our Book of the Year contest is finished! As a school we had 42 students participate from 13 divisions with a total of 176 books read! Way to go EMMSOTA!

Voting took place in May and the top 3 choices at Moody were:

- #1 New Dragon City
- #2 Millionaires for the Month
- #3 Thieves' Gambit

The winner for the whole District was: **New Dragon City!**

If you missed any, all the Book of the Year books will be available to check-out from the Library Learning Commons at Moody Middle. Most are also available as an eBook or Audiobook through [Sora](#) so you can read them over the summer!

Art Projects

In the recent school year, students had the opportunity to dive into a variety of artistic practices, with two standout projects pushing the boundaries of how we think about the relationship between visual art and other forms of expression. One of these projects drew inspiration from the ground-breaking work of British artist and musician Brian Eno, while the other was a collaborative effort with the school's music department that fused the worlds of visual art and music. Both projects not only allowed students to experiment with new techniques but also encouraged them to think outside the box and explore connections between disciplines.
