Basketball Season

The basketball season has begun!

We would like to put a call out to any adult basketball leaders who are interested in helping with one of our sport teams. The commitment would be 1 practice per week for grades 6 & 7 and 2 practices per week for the grade 8 teams. Practice times can be the hour before school or 1.5 hours after school. Sign up started before the break and its looking like we will have a full slate of teams from grade 6 to 8!

All parent volunteers will be connected with a sponsor teacher and will need to fill out the school volunteer forms on School Cash Online.

Please contact Mr. Alex Abello (aabello@sd43.bc.ca) if you have any questions or are interested in helping in any way.

Community Information

Swimming Club Fall 2024

On October 11th, we had sixteen swimmers from grades 6 to 8 compete at the district swim meet. With solid performances in a mix of individual and relay events, the team was able to claim the Middle School District Championship title with a team score of 111 points, 20 points more than the next-highest scoring middle school! Congratulations again to all our swimmers!

Volleyball Club Fall 2024

Congratulations to our grade 8 boys volleyball teams. Both teams represented our school well in the district playoffs with a total of 30 boys participating on both teams. They displayed passion for the sport, a willingness to listen, and applied what was learned at practice to game play. They were able to play three hit volleyball throughout the season and into the playoffs. In the playoffs, the boys B team had a fun night showing off all they had learned during the season, specifically solid overhand serving. The boys A team finished second in the first night of playoffs, advancing to the semi-finals the next night. They then played a tough first match in the semi-finals needing three sets to beat Kwayquiltam Middle School to advance to the finals. In the finals, our boys beat Maple Creek in straight sets, capturing the district championship. Again, the boys all showed great team play, keeping points alive through hustle and determination. They served well and hit with power, overwhelming the opposition and winning convincingly with solid game play. Way to go boys on a fantastic season! We get to add another banner to our gym walls forever leaving their mark on Moody Middle athletics.
