

**e-Bulletin – October 28, 2022**

Greetings École Moody Middle School of the Arts Community.

We have finally said goodbye to our extended summer and quickly met with our monsoon climate and most recent atmospheric river. Life on the “Wet Coast” is always full of surprises...just like living and learning in a middle school community. We are busier than ever and learning to be together again in large groups and for activities outside the classroom. Building our community back is a process indeed and we are heading in the right direction with much to feel good about and more to look forward to.

This year isn't quite business as usual for all of our Halloween activities, so there will be NO DANCE or School-wide activities in the afternoon, but some special activities our student leaders have planned. The **Leadership Team** will be judging a **Costume Contest**, **Door Decorating Contest** and have the ever-popular **Halloween Guessing Jar & Kahoot** ready for your enjoyment!

*We might even have music playing in the Amphitheatre to encourage MONSTER MASHING...*

We have lots of activities in our afterschool sports teams with volleyball in full swing and swimming and cross country running just recently wrapping up. Thanks goodness the rain held off until the final cross country meet of the year...and then our students really learned what “cross country” running was all about! Congratulations to our runners and swimmers for their great seasons and for our volleyball teams heading into their final games of the year.

Our EMMSOTA PAC is still wanting to get everyone up and on our parent portal platform. This is the parent hub for information regarding fundraising, school updates, hot lunch ordering and more. You will also find information for our PAC meetings like agendas and meeting minutes. It's a one-stop shop for all things PAC. Please be sure to register using the instructions found in the newsletter below. Thanks to our amazing EMMSOTA PAC for getting some fundraising already up and going with the global coffee fundraiser and our first hot lunch of the year. Stay tuned for more opportunities to support the PAC and our school.

We continue to build our EMMSOTA community early in the year and regularly review our core values; integrating the arts, nurturing global citizens, and creating a safe and caring learning environment for all. Our **R-E-S-P-E-C-T; Responsible, Educated, Supportive, Positive, Empathetic, Creative, Tenacious**, acronym continues to be at the forefront of our culture building and each day we **Take Care of Ourselves, Take Care of Others and Take Care of the Environment!** We invite you to join us at our next EMMSOTA PAC meeting of the year November 14th, at 6:30 PM in the Library Learning Commons.

Cheers, À Bientôt

## **NOTE: TITLES IN RED ARE NEW OR UPDATED ITEMS**

### **Student Activity Fees**

Reminder to please sign into School Cash Online and pay your student activity fees.

SD43 authorizes charges for optional curricular and extra-curricular activities, or other good and services provided by the school and district in order to enrich curricular and school life for students. Student Activity Fees will be charged for student agendas, student leadership activities, clubs, cultural performances and special events, extra art supplies and opportunities to support projects that enhance learning through the arts and other student activities organized by the school. Families unable to pay any fees will be offered options to pay in installments or have the fees waived if necessary. No student shall be denied participation in any activity should they be unable to pay.

We understand everyone may be in a different place at times and may need some support for fees or other items at given times in a year. Families needing fees waived or any other support for food, supplies, certain clothes for certain weather. Please do not hesitate to let your child's teacher know or confidentially contact the Principal, Mark Clay at [mclay@sd43.bc.ca](mailto:mclay@sd43.bc.ca) or call the school directly at 604-461-3784.

### **Bus Transportation**

We have been responding to our community concerns about student safety when using public transit. Larger numbers of students are taking the bus and we need to work together to ensure students are safe and respectful when using transit. We need to work together to remind our children how to line up single file and several feet away from the curb. When loading the bus there should be no pushing and we always use respectful language. If your children are using transit, please take the time to review safety expectations and what respect looks like getting on and off the bus and during their ride. These are community services, and it is important that we share them mindfully with our larger community.

### **Water Pod field trip**

On Thursday, October 6th, Water Pod went on a public transit adventure to Granville Island in Vancouver! All four classes rode the Skytrain and bus to Granville Island, where we split into smaller groups to explore the sights and shops and have lunch. After lunch, we came back together to watch a play called Frozen River/nîkwatin sîpiy which told a story of friendship, reconciliation, and promises broken and eventually made right. All in all, it was a fun day and a great first field trip of the year!

## Rainbow Club! We are excited and happy to be here!

Rainbow Club is an inclusive space for all queer and trans students and allies. Its structure is largely student-directed: as of now, most students seem to be seeking a safer space where they can chill and just exist as they are without fear of judgement. Right now this looks like playing board games, colouring, crafting, and connecting with each other. We are very open to supporting passion projects of students, though.

Rainbow Club meets in the library on Mondays at Lunch.

## Fall Sports Schedule

Our Fall sports schedule will be updated on our website as often as is possible if there are changes.

\*\* Grade 8 Boys and Girls Volleyball will be playing their games on Wednesdays after school starting October 12<sup>th</sup>.

\*\* Grade 7 Girls play their games on Tuesdays starting October 11<sup>th</sup>. And Practice Friday after school

\*\* Grade 6 Volleyball is running at lunch on Tuesdays and Thursdays. End of season jamboree information will come later in October.

\*\* Badminton Club and Soccer Club will start up shortly depending on Gym times.

## École Moody Middle School Library Learning Commons

Our collection of books in the Library Learning Commons here at EMMSOTA continues to grow and evolve. We have graphic novels, picture books, e-books, as well as non-fiction and fiction books in both English and French. Our collection is suitable for students ranging in age from 8 through 14+. As such, there are some fiction materials in our collection that may be suitable for more mature students only; these books are marked with a “TEEN” or “Mature Read” sticker. We recognize that age does not necessarily convert to maturity, so we have decided not to restrict students from taking out “TEEN” books if they choose to do so. However, we want to make our school community aware of the denotation of “TEEN” and what it may mean about what your child chooses to read from our Library. If you are concerned about your child taking out a book too mature for them, please have a discussion with your child about not taking out “TEEN” books until you feel they are ready to do so.

Here is what you need to know about Middle Grade and Young Adult distinctions in literature.

(Source: <https://www.scholastic.com/parents/books-and-reading/raise-a-reader-blog/what-parents-need-to-know-about-middle-grade-and-young-adult.html>)

### Middle Grade Books:

- Ages: 8-11 years
- Grades: 3-6
- Length: 30-50K words
- Characters: Protagonist (main character) is around the age of the reader, 8-11 years old or younger
- Topics: friendship, family, the character's life and world, external conflict vs internal
- Point of View: often third-person, meaning the narrator is outside the story looking in
- Content restrictions: no profanity, graphic violence, or sexuality permitted Examples: *Diary of a Wimpy Kid* series, *Sisters* (by Raina Telgemeier), *Harry Potter and the Sorcerer's Stone*, *Wonder* (by R.J. Palacio)

### Young Adult Books:

- Ages: 12-18 years
  - Grades: 7-12
  - Length: 50-75K words
  - Characters: Protagonist is older, 12-18 years old
  - Topics: self-reflection, internal conflict vs external, analyzing life and its meaning
  - Point of View: often first-person, meaning the narrator is telling the story about himself or herself
  - Content restrictions: profanity, violence, romance and sexual situations permitted
- Examples: *The Divergent Trilogy*, *The Fault in Our Stars*, *The Hunger Games*

Now, these guidelines are just that—guidelines. Often the lines may be blurry in some books, which makes categorizing them difficult. If you are ever confused or concerned or want to learn more, read the book yourself to see if it is a good fit for your child. You are the best gauge, as the parent. You know best what your child can and cannot handle.

## Student Activity Fees and Athletic Fees

**Athletic Fees** are a one-time fee of \$15 for any students participating in any EMMSOTA athletics during the school year. The one-time fee allows students to participate in as many sports as they would like to try throughout the year and supports costs related to replenishing uniforms, paying for refs, and supplementing other team supplies and activities.

Families unable to pay any fees will be offered options to pay in installments or have the fees waived if necessary. No student shall be denied participation in any activity should they be unable to pay. Families needing fees waived should contact the Principal, Mark Clay at [mclay@sd43.bc.ca](mailto:mclay@sd43.bc.ca) or call the school directly 604-461-7384.

## Attendance, (including lates & early dismissals)

Please assist your child in arriving to school on time. Schedules and routines are extremely important to a student's development and academic achievement as key concepts and lessons begin promptly at 8:30.

Parents/guardians are asked to report all absences, including daily, ongoing absences, lates or early dismissals, using our online Absence Report form – click here: [Absence Report](#)  
Alternatively, please contact the school office by phone 604-461-7384 or email [moodymiddlesecretary@sd43.bc.ca](mailto:moodymiddlesecretary@sd43.bc.ca). Our secretary "call back" is in place to help ensure the safety of our children and we call all contact numbers in priority sequence if a child is not accounted for. Please assist us by ensuring that you have called in to report your child's absence.

### Lates:

Please assist your child in arriving to school on time. Schedules and routines are extremely important to a student's development and academic achievement as key concepts and lessons begin promptly at our scheduled bell time. **Students arriving late should come through the main front entrance, sanitize and sign-in at the LATES desk.**

### Early Dismissals:

Whenever possible, please make appointments for your child outside of school hours. If you do need to pick up your child early, we ask that you advise your child, your child's teacher *and the office* in advance so that the student is ready to leave without interrupting their classmates. Please notify the school regarding the time of departure and pick-up or student transportation plans (walking/bus/etc.).

**All students must sign out in person at the office before leaving school property. Students must have permission to leave before they will be allowed to sign out.**

*If you are picking up your student, please call the office when you arrive. We will send the student out to you in the parking lot.*

## Parking, Transportation and Student Safety

Please plan to *drop-off and pick-up your student off site* as much as possible to reduce the traffic flow. Our parking lot does allow for a few cars at a time to drop off and pick up students, and if you choose to use the drop-off zone, we ask that you support us in making this work in a safe and respectful way. The drop off and pick up spaces are in our staff parking lot along the south side adjacent to the school. Please keep to a safe speed of 10km/hr and less in our lot and through the drop off zone. Be mindful that this is a **staff only parking lot** and spaces are limited. **The flow of traffic is one way in, all the way around the lot and out the same way stopping at the stop sign before entering the intersection.** Please drive cautiously in our school zone of 30 km/hr and less, thinking about student safety first. We appreciate the number of parents who have chosen to access our nearby streets (e.g. James, Henry, St. George) to drop off and pick up your child. PLEASE be respectful of our neighbours and their driveways. There should never be a time when any parents dropping off or picking up are blocking any residential driveways or access. It is important we promote solid community relations around our school for the health and safety of our children.

This is an ideal time to remind your children about traffic safety and being mindful of crosswalks and sidewalk use. Student safety is of utmost importance to all of us, so please consider doing your best to support our plan. We all thank you.

## Lunches

Please send your child with a litter-less snack, lunch and refillable water bottle each day. **PLEASE REMEMBER TO INCLUDE ANY CUTLERY THAT YOUR CHILD WILL NEED FOR THEIR LUNCH** as we do not have any to hand out. We do not have microwaves or hot water (kettles) available for student use at this time and we will be moving to making some microwaves available later in September early October. We ask that you work with us to ensure student safety by sending students to school with food at the start of the day rather than dropping it off at the office during the day. If you do need to drop off something at the office, please call ahead and clearly label any items so we can easily identify the student's name and their division. Please ensure your child has all their belongings for the day when they leave in the morning, establishing these routines early in the year helps our children gain independence supports positive learning practices.

## Communication

Announcements that are made each morning at the school are posted on our website daily to facilitate shared communication between the classrooms and our school community.

Parents with messages for their children are asked to contact the office. Notifications of these messages will be passed on to the student during nut break, lunch time or at the end of the day. As we are protective of the learning environment of all our students, we cannot relay messages to students during class time concerning social arrangements. We also ask parents to respect our technology expectations and **not to text or contact your child directly** by cell phone during the school day. Messages sent through the office are always the best way to go. Thank you.
