3. **Principal & Vice Principal's Reports**

a) Principal's Report

Mr. Clay presented the school's wish list and discussed the items on it and the items most need and timing.

The Terry Fox Run raised over \$6,000. Constable de Gooi was on hand, the students threw pies with great enthusiasm at the principal, vice principal and a few teachers who were very good sports for this charity fundraiser.

Students are selecting their BRICK courses (Building Respect in Creativity and Knowledge) allowing them to meet in different smaller groups outside the core class with a different mentor to explore interests.

Parent teacher reporting conferences will be held on November 27, 28 and 29 either late in the day or evening. Hopefully many parents can attend to discuss their students' progress. There was discussion around timing and accessibility for working parents.

b) Vice Principal's Report

Ms. Jung discussed the student vote to be held the following week Thursday, the goal being to educate the students about the issue and election process. Fresh Grade licenses have been renewed. This will provide a useful tool for teachers to communicate with parents and as a repository for students' work.
