May 14, 2026 at 2:00pm

Hello Moody Middle Families,

On May 14, 2026 each school in SD43 will be participating in a District Wide Emergency Release Day. In the event of a major emergency, it may become necessary to release students from school before the regularly scheduled time. It is an important process for each school to practice ensuring that we are prepared for the future. Here is some information for what the day will look like at Moody Middle.
