District Emergency Release Day

On May 14, 2026, each school in SD43 will be participating in a District Wide Emergency Release Day. In the event of a major emergency, it may become necessary to release students from school before the regularly scheduled time. It is an important process for each school to practice ensuring that we are prepared for the future. **Please see the attached document and links below for more information for what the day will look like at Moody Middle.**

Passions of Learning Event

We warmly invite parents and families to our upcoming Passions of Learning event on **May 21st**, where students will have the opportunity to share and discuss an area of personal interest they have been exploring throughout Term 3. Over the past several weeks, students have been journaling their ideas, questions, and progress, allowing them to reflect on their learning journey. This event is a wonderful chance to celebrate their curiosity, growth, and dedication. We are truly excited to host this special occasion and look forward to welcoming you as our students showcase their passions. The event will start at 2:00 PM at Moody Middle.
