### **RIVERSIDE**

[Home - École Riverside Secondary School \(sd43.bc.ca\)](http://www.sd43.bc.ca)

Riverside Grade 8 Tour video for your usage in communities/classes. Kids can also view the stream version from anywhere using their district login if you give them the bit.ly link. Below, I'm copying the file link as well as all the links.

This video is a taste of the electives at the school. We had varying ranges of video editing prowess helping out, so there's a range of glossiness too. Please encourage your students to fully consider all the courses they could pick from, not just on the basis of how exciting the video was but what subjects they really see enjoying for their electives.

In that website, there will soon be links on each page to specific videos from each subject area. These are the same videos that are compiled into this big "Walkabout" video today.
