

## MOODY ELEMENTARY PAC

Dear Moody Elementary Community,

Welcome to the 2024-2025 school year!

As a new year of learning gets under way, we're sending a friendly reminder that all parents and guardians are members of Moody Elementary School's PAC (Parent Advisory Council). Whether you want to attend monthly meetings to stay informed about the school community or you'd like to volunteer to help out at an event, your participation is welcome.

The Moody PAC's goal is to:

***Advocate for excellence in education by enhancing the in-school experience, celebrating the milestone moments, supporting the well-being of our students and building a strong school community of parents, care-givers and guardians as partners.***

We achieve this through an active program of fundraising and events which help to provide enhanced programming for all Moody Elementary students. Traditional events include movie nights, hot lunches, bake sales, as well as fundraisers. Fundraisers help fund:

- Educational speakers
- Whole School Field Trips
- Field Trips
- Sport and Dance Classes
- Teacher supplies

The year will begin with our first PAC Meeting of the year on **September 9th, 2024** followed by the PAC BBQ, as part of the School's Open House. This will take place on **Thursday September, 19, 2024**. Pre-order details and signup to follow.
