5. Officers Reports

- **Hot Lunch** - tomorrow is hot dog day. Trying 2 new vendors in last term. Last term tried 2 new vendors -Pasta Polo + Taco Del Mar (not very profitable). Looking at increasing prices for next year because of rising vendor prices and decreasing profitability. Dominos

and hot dog days most profitable. Average profitability ~\$200-300/lunch. Consider dropping juice boxes for health reasons. Consider sharing the number of donated meals

- **Treasurer** - General Account - \$13,609. Gaming Account - \$2,369 (remaining to be used for hip hop). Fundraising revenue ~\$1800 under budget. A few fundraisers weren't as successful as hoped. Expenses ~\$2,000 under due to lower PAC admin costs, lower teacher supplies submissions. \$2500 balance required as a PAC. Exec to ask approval before spending. Carnival has \$3500 budgeted.
