

# Happy Holidays from your friends at Port Moody Recreation

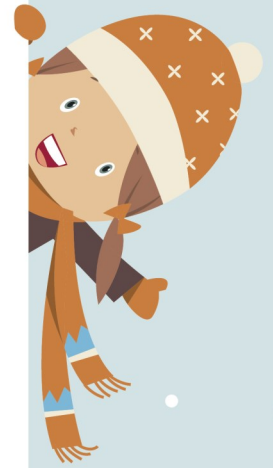

This year it's more important than ever to find creative ways to celebrate and connect with each other in a safe manner. So let's have some fun, get crafty, and show that the Port Moody community continues to be full of holiday spirit!

We've created some holiday activities for us to do together. Make one or make many, it's all up to you!

Have a parent/guardian help you take a photo of your creations and tag us on social media:

Submit your creations by 12pm on December 23, 2020 for a chance to be featured in our Holiday Spirit collage.

# Holiday Wreath Craft - Supplies

Gather up supplies that you have on hand at home. Don't worry if the colours or materials don't look exactly like the picture. Our wreaths will be unique and diverse, just like all of us! Once you've made your wreath, hang it in your home window to display your holiday spirit.

- \* Pencil or pen
- \* Scissors
- \* Glue or tape
- \* Coloured paper/cardstock.

You may also use:

- White paper with crayons/markers/paint
- Fabric, felt or foam sheets
- Coloured tissue or wrapping paper

# Holiday Wreath Craft - Instructions

Trace your hand on a piece of paper using a pen or pencil.

Cut out the traced hand.

Use the cut out hand as a stencil to draw 10+ more.

Cut out the remaining traced hands.

Lay the cut out hands in a circle. Overlap so the fingers are on top.

Glue/tape the hands together, one at a time.

Decorate your wreath. You can draw or glue things on it, (example: sparkles, sequins, pompoms, buttons or paper cut-outs).

Add a loop and/or bow at the top of your wreath.

Allow all glue to dry.

Hang your wreath in the front window of your home.

Tip: use window-safe methods like command hooks, fishing line or painters tape.
