

MUNDY ROAD FALCONS

February Edition

February is [Black history month](#). Black history is Canadian History. We all have a responsibility to learn more and do better - not just in February but throughout the year. Please check out the link above to see Canada's website for Black History Month or take a moment to watch this [kids CBC episode](#).

February 9 - 13 is also Real Acts of Care in Coquitlam School District. We will be inspiring some real acts of Care this week with Be Kind Bingo. Check out our bulletin board near the office , complete a Bingo sheet and bring to office to be entered into a draw for a prize.

In addition, classrooms will be celebrating Lunar New Year, Valentines' Day, 100's day and Pink shirt day this month.

Peanut Free School

We have several students in our community with allergies to peanuts and kindly ask that families keep their students lunches and snacks - Nut Free. Thank you!

Student Learning Survey - For Parents too

Student Learning Survey 2025/2026

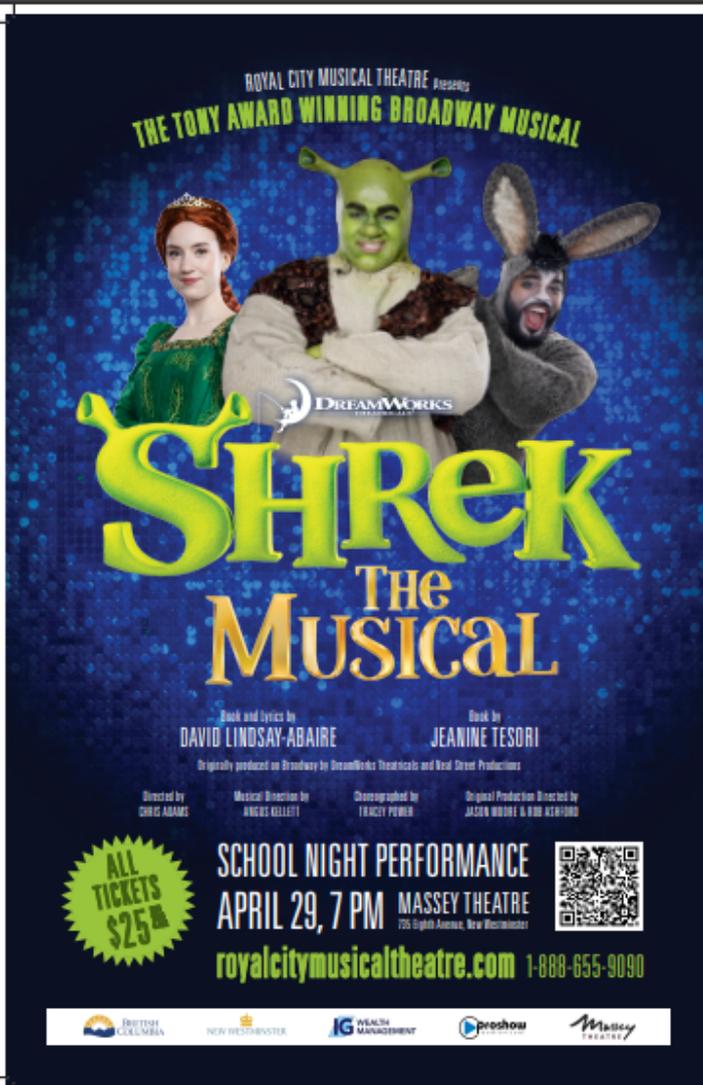

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers, and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

Early in **2026** the Student Learning Survey will be administered to students in grades 4, their parents/guardians/caregivers, and all school staff. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school and/or district that focus on local conditions or issues may be included.

The survey can be completed electronically and can be accessed on the Internet at <https://www2.gov.bc.ca/gov/content/education-training/k-12/support/student-learning-survey>. Any computer or mobile device with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link and by clicking on Take the Survey. On the login page, click on the Parents icon, and then select the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the *Results* section.

The e-survey site will be open until May 1, 2026.
