

DISTRICT EMERGENCY RELEASE – Mundy Road

May 14, 2026 @ 2 pm

On **Thursday, May 14, 2026**, all schools in **SD43** will take part in an **emergency release drill**. **Our release drill will start at 2:00 p.m.** This drill is to practice what we would do if there were a real emergency, such as an **earthquake**. Please note we will be releasing students to parents one at a time and it is not like a regular early dismissal.

What will happen at Mundy Road?

- Students and Staff will be asked to evacuate the building.
- Teachers will take students **outside to the gravel field**.
- Classes will line up by **division number** in a **straight line** to allow room for safe pick-up. (See map below)

Picking Up Your Child

- Please make sure you know your child's **division number**. This will help the process move faster.
- **Families must follow the emergency release process**. This is **not a regular early dismissal**.

Emergency Release Forms (Very Important)

At the beginning of the school year, families completed an **Emergency Release Form**.

- Your child **can only be released** to an adult **listed on this form**.
- If someone else is picking up your child:
 - They **must** be listed on the form.
 - If the teacher does not know them or may not recognize them, they **must bring photo ID**.
- **Students will not be released** to anyone who:
 - Is **not on the Emergency Release Form**, or
 - Cannot be clearly identified.

These rules are in place to keep all students safe.

Where to Wait for Pick-Up

So we can complete the drill safely, we ask that all parents and caregivers:

- **Wait off the gravel field** until you see a green sign on your child's division cone.

Thank You

We understand this process may take extra time. We appreciate your **patience and cooperation** as we work carefully to ensure every child is released safely to the correct caregiver.
