Our Principal

Our principal Rob Wright is back for his 6th year at Mundy Road, and we are thrilled! He is very open to communication from parents, so please feel free to email or call him with any questions or issues you or your child may be experiencing.

Rob is very involved with the students, placing great emphasis on the importance of connecting with as many students as possible throughout the year. He regularly visits the classrooms, getting to know the students and building relationships with each of them. He also teaches (0.3 FTE) prep on a regular basis in some classes and supports many students with special needs.
