

## **GOOD NEWS PARENTS!!!**

**Due to the overwhelming response at Mundy Elementary, Mad Science will be opening a second class! Those of you who have already signed your children up may already have received an email from Mad Science asking you to choose the Tuesday or Wednesday class.**

**If you want to switch to the Wednesday class, please contact Mad Science at 604-466-8888 to change your child's enrolment, otherwise they will assume that you wish to remain enrolled in the Tuesday class.**

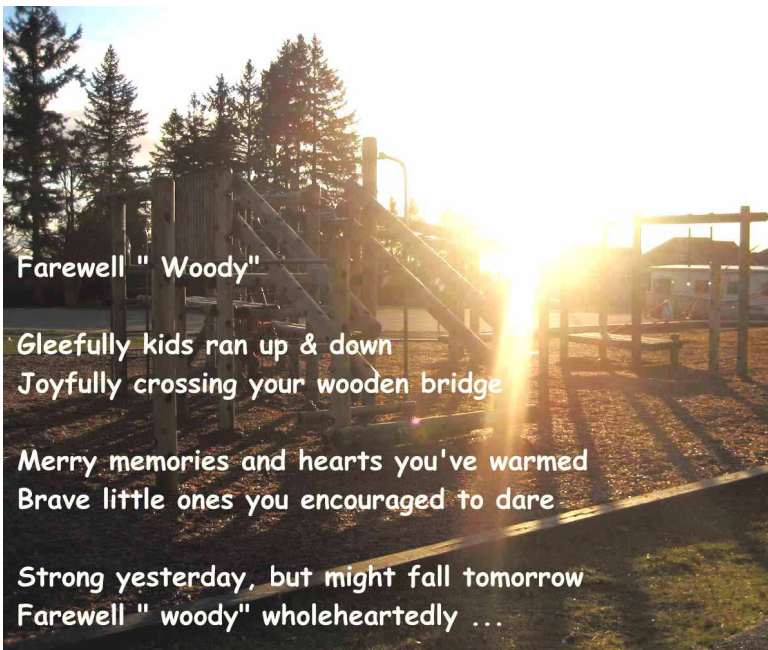

**Those of you with children on the wait list will be able to enroll soon. Mad Science will contact parents with children on the wait list. There is also room for new enrollment, so if you are not on the wait list, please visit the website to put your child on the list - space is limited and we already have several children on the wait list.**

**The programs will run every Tuesday/Wednesday from January 31/February 1 until March 6/7.**

**Please see attached flyer for the second class.**

**Thank you,  
Kim Driver**

## Mundy Road , a winter resort.

Farewell " Woody"

Gleefully kids ran up & down  
Joyfully crossing your wooden bridge

Merry memories and hearts you've warmed  
Brave little ones you encouraged to dare

Strong yesterday, but might fall tomorrow  
Farewell " woody" wholeheartedly ...

### LABELS of Campbell Soup

Collect more labels  
Collect more points  
Our school will  
received awesome  
educational stuff!
