## MUNDY ROAD'S ANNUAL KIDS' CHRISTMAS MARKET

This December marks the 10th year Mundy Road has unified the school community to share the message of peace and friendship with others. Proceeds from the kids' market are donated to support families within the community and other charities. What sparked as a lesson to teach our children about reducing/reusing/ and recycling has averaged \$1200 per year from new and gently used items bought by kids for their loved ones. Items range in price from 25 cents to five dollars with gift wrapping included.

This is a large and worthwhile event. Children proudly bring home wrapped gifts they chose from the market. While families participate by contributing an item to the market or by giving their time to help the children and gift wrapping.

For detailed item ideas please see the Kids' Christmas Market handout.

## Calling all Volunteers

Children enjoy seeing families involved in their school community. Just as support is given at home, family interacting with their peers and trusted school staff can create a meaningful impression. One that sets an example for children to model.

Mundy Road has no shortage of areas to volunteer. Whether it is distributing food on hot lunch days, manning the concession table on movie nights, or taking on a PAC Executive position, where every parent is already a PAC member. Each bit of time given by our volunteers is valued and appreciated. Each moment of time spent is rewarded.

Frankenstein, The Raven, Jekyll and Hyde. Characters of mystery and fear seep beyond these pages into the walls of Mundy Road. But behold the effects of a fog machine, upbeat tunes, and dancing cheered even the most A.B. Normal brain.

Thank you to all the attendees and volunteers who made this event successful!
