

# Mundy Road Elementary Parent Advisory Council

## WELCOME TO PAC

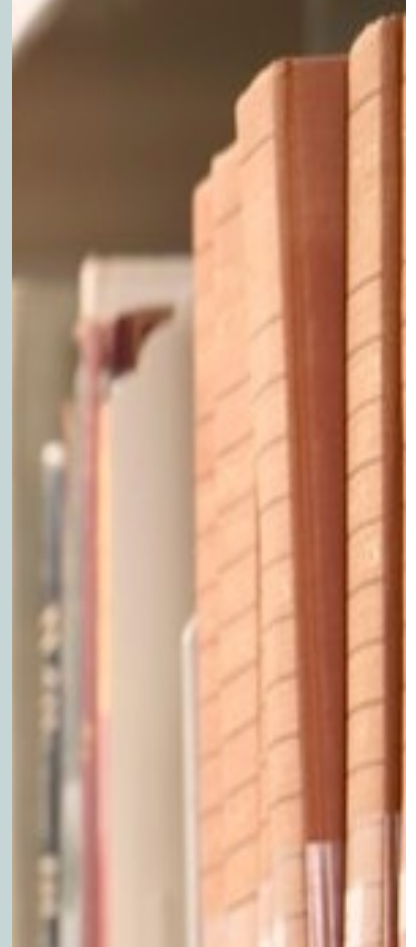

The Mundy Road Parent Advisory Council is comprised of parent volunteers working together to provide funding and initiatives to enrich our students educational experience. We work in conjunction with the support of Principal Rob Wright and the teachers of Mundy Road Elementary. We fundraise throughout the school year, in order to provide funding towards literacy and nutrition programs. We also subsidize costs for field trips, cultural, and educational activities for our students.

Parents and guardians of Mundy Road students are by definition PAC members and are always welcome to attend our meetings. Please consult our PAC bulletin board and website for more information on dates and times as well as past minutes and our updated constitution.

It has been my pleasure to serve as PAC chair for the past year and am very thankful to the Mundy Road parent community for their commitment to working together towards a common goal benefiting all of our students.

Wishing you all the best this school year. Should you have comments or suggestions I can be reached vial email at [ryandger@gmail.com](mailto:ryandger@gmail.com).

## FUNDSCRIPT GIFT CARD PROGRAM

**FundScrip** is a simple and easy way for our PAC to earn funds. You purchase gift cards (GC's) for your everyday use (i.e. groceries, gas, entertainment). There are over 150 retailers to choose from. A percentage of your purchase will be given to the Mundy Road PAC.

Our goal is to raise money to purchase/go towards various items that may include library books, after school programs, emergency preparedness items

and/or technology tools to assist our teachers and our kids in their learning experience/education.

## SPORTS DAY /TERRY FOX RUN

Autumn sunshine greeted Sports Day revelers draped in red and white paying tribute to Canada's 150th birthday.

Students, teachers, and volunteers kept enthusiasm high well into the afternoon as Sports Day evolved into the Terry Fox Run keeping Terry's fight alive with the next generation.

*"Even if I don't finish, we need others to continue. It's got to keep going without me."*

Thank you to all the volunteers who helped set up and manage the concession table, distributed pizza in classrooms and provided support where it was needed. Cheers from parents, caretakers and school staff made it a fun and memorable day for all.

A belated better late than never...
