

## Welcome Message from Your PAC Chair

On behalf of the Mundy Road Elementary Parent Advisory Council (PAC), I'd like to extend our warmest welcome to the students, staff, and families of Mundy Road Elementary, especially to any new families who will be joining the Mundy Road family this school year! I hope you've all enjoyed a wonderful summer and we look forward to seeing you in and around the school.

The Mundy Road PAC is made up of parent volunteers working together to provide funding and initiatives to help enrich our students educational experience at Mundy Road Elementary. We work in conjunction with, and have the support of Principal Rob Wright and the teachers at the school. Fundraising throughout the school year provides funding towards literacy and nutrition programs as well as subsidizing costs for field trips, cultural events, and educational activities for our students.

**Parents and guardians of Mundy Road students are, by definition, PAC members and are always welcome and encouraged to attend our meetings.**

Please consult our PAC bulletin board inside the school, as well as the PAC area of the school website [www.mundyroad.ca](http://www.mundyroad.ca) for dates and times of upcoming meetings in the 2018-2019 school year. You will also find minutes of past meetings as well as our updated constitution. Meetings are held in the school library. We'd love to see you and hope you all become involved in the PAC.

I am proud to have once again been asked to Chair the PAC and look forward to working with the Executive, Principal Wright, the teachers and all of you, the parents of Mundy Road Elementary as we work together towards a common goal benefitting all our students. Should you have any questions, comments, or suggestions I can be reached via email at [jonman@telus.net](mailto:jonman@telus.net). Wishing you all the best this school year!

### **Mundy Road Pub Night Fundraiser**

A fabulous night was held on June 8 to raise funds for our school community. With friends, good food, raffle prizes and a 50/50 draw, the fundraiser tipped the scales by night's end with over \$1400. Profits contribute to field trips, updated technology, student cultural programs and sports development. Thank you to everyone who contributed to the success of this fundraiser.
