## Principal's Message:

We've got very exciting news! Our school is now part of the community 'Hub' – which is a grouping of schools in the Coquitlam area. As part of this Hub (Maillard Middle, Montgomery Middle, Como Lake Middle, Lord Baden Powell Elementary and our school), each school will have After School Programs.

The cost is very reasonable, and allows students and parents/guardians different choices. The registration form (on light orange paper) was handed out to your child. Registration has begun for the January to March 2013 activities. The choices are: Ball Hockey, Kids Stage Theatre (2 different groups) Indoor Soccer, Parents Talk and Family Fun Night.

There are different age groupings and different times, but all programs are after school, or in the case of adults, in the early evening. There are limits to the number of registrations that can be accommodated, and it is on a first come, first serve basis. Please include payment in the form of a cheque (in a Ziploc bag, or in a sealed envelope), stapled to your registration.

Completed forms can be dropped off at the office counter, in the bin marked "AFTER SCHOOL PROGRAMS".

Mr. Paul Dondo is the Coordinator with the School District and he works with Coquitlam Parks and Recreation who provide the instructors for these programs. Many thanks to Mr. Dondo who has worked with us and the City of Coquitlam for these programs!

## REPORT CARDS

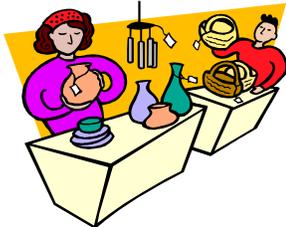

Students received their first formal report card of the year last week. All report cards indicate ways that teachers will be working with their students to support their learning. We know that home reading is a key component to reading development; comprehension and fluency will be supported by daily reading. We encourage every child to read with an adult at home, daily if possible.

We continue to value the partnership of working with parents and communication between home and school is key to success. Please discuss your child's report card with them, and celebrate their successes and set a goal for next term. There are Parent/Teacher Conferences next week; a green form was sent home on Monday December 3<sup>rd</sup>. If you would like a conference with the teacher, please return the form as soon as you can. Early Dismissal days are Wednesday, December 12<sup>th</sup> and Thursday, December 13<sup>th</sup>. All students will be dismissed at 1:45 and conferences will start at 2 pm.

Mundy Road is such a terrific school – from the startup of the school year, everyone is committed to making the year as positive as possible. From the PAC coffee on the first day, to the volunteering so many of you do – it is an amazing place to be! The teachers are always grateful for the support you give them, whether it is volunteering to do book orders, coordinate parents for classroom activities, helping at the Book Fair, the Christmas Market and even dressing up for Hallowe'en! Your involvement in your school positively impacts your child's education. As a full time working out-of-the home mom, I sincerely understand and appreciate the challenges of participation. It is something I try to do, whether it is making play dough at night for all the Kindergarten classes, or working a concession at their upcoming concert. And busy! My hat goes out to each and every one of you. I know that on top of it all, your first and foremost concern is for your child (ren). It is what we all want for our kids. Your love and concern is evident and we thank you for all you do, and for all the ways you support your children at Mundy Road.

In keeping with the busy time of the year, despite how 'on the go' we all are, students and staff really look forward to all we do. It is a fun, happy time of year. Please look at our calendar at the end of this newsletter for all the events.

A big 'THANK YOU' to Ms. Hayward-Meek, Mrs. Austin, Mrs. Lubyk, Mrs. Madonna and Ms. Nelson, who along with many parent 'elves' made our 5<sup>th</sup> annual Christmas Market a huge success. It was so incredibly well organized, and the items for purchase were terrific – there really was something for everyone!

The money raised at this Christmas Market will go to charity, supporting families in need. The market is a highly anticipated event each year and we really appreciate the time it takes to organize such an event. For all of you who donated their time, their gently used items, bows, wrap and ribbon - thank you!

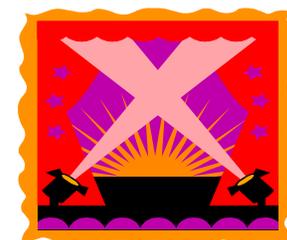

There will be a 2<sup>nd</sup> Chance Sale with the remaining items from the Market. The items are now on display until December 12<sup>th</sup> for sale at very reasonable amounts. Please come by and see the display outside the office area.

We have Gingerbread making coming up – your classroom teacher will be letting you know through planners, or an email, or notice, when their class is 'building'. (and, I believe, eating a lot of the goodies that are meant for the house, but somehow find their way to tummys before they are attached to any house!). We do need you to save any small milk containers (the 250 ml. size).

### CONCERT INFORMATION

**SAVE THE DATE!** As we noted on our website and in the last newsletter, the concert event of the year is WEDNESDAY, December 19<sup>th</sup>. We have an afternoon performance at 1:30 here at Mundy Road. The *evening performance is at Montgomery Middle School, located at 1900 Edgewood Avenue*. Students and their families will be admitted at 6:10. The concert begins at 6:30 and lasts about 45 minutes.

There will be teachers in the front foyer of Montgomery Middle, with information on where you will have your children take their coats. Here is the outline for that evening:

- Kindergarten and Grade 1 students will take their coats to the Library, and then return to the gym to meet with their teacher.
- Grade 2 and 3 students will take their coats to room 210 and immediately return back to the gym to meet their teacher.
- Grade 4 and 5 students will take their coats to room 194 (the Band Room), and return to the gym to meet their teacher.

The PAC is sponsoring a raffle for all the FRONT ROW seats at the evening concert and for only \$2.00 you have a chance to win two front row seats for the evening concert! There is no limit on how many times you can enter and if your name is drawn you will have two seats labeled for you. The first name drawn will be the seats in the middle and from there we will spread out to either side of the front row. The proceeds go to provide the 'extras for students - the learning resources that contribute to the classroom environment and support our students.

### PAJAMA DAY - December 21<sup>st</sup>

We are having our annual PJ Day on the last day of school before the break. Students are encouraged to wear their favorite PJs, along with a housecoat and their slippers but participation is voluntary. Please do send your child to school with their winter coats, boots, mittens, to wear out at recess and lunch.

### *Mundy Road Elementary Christmas Gift Hamper*

For many years now, this community has been very supportive of SHARE and the food bank. You have likely heard from media reports that Food Banks are in desperate need as more families cannot meet their basic needs.

Our Food Bank Drive has started and we will be taking any and all donations up until the morning of the Thursday, December 20<sup>th</sup>. We will have boxes in the foyer for students to drop off any non-perishable items up until then. We sincerely hope that with the next two weeks of giving, we can help those families who need some help through this winter.

We hope that by offering the list as a guideline, we can meet the needs of those who are less fortunate. Below is a suggested list of ideas for donations. Of course, any and all donations are welcome at any time - our schedule is only a guideline. Thank you!

# Winter Wise

*Be Aware and Get Prepared*  
Winter 2011/2012

## Stay Safe When it Snows Student Information

When it snows, the City's streets can be especially dangerous. Vehicles have trouble stopping, drivers cannot see pedestrians very well and the City's big snow plows are constantly moving snow to the sides of the streets to clear the roads. Vehicles and snow plows need more room on the road to turn corners and more time to slow down and stop than in normal conditions.

To help keep you safe, please remember to follow these guidelines at all times when you are walking in snowy conditions:

- ◆ Try to stay on the sidewalk or the boulevard and not on the street.
- ◆ If there is no way to get to the sidewalk, walk on the left side of the road facing traffic, pay close attention and move as close to the sidewalk as possible.
- ◆ When you are on the sidewalk and see a snow plow approaching, please stay far away from the road as it is passing.
- ◆ Play in the snow in playgrounds and yards rather than beside the street. Snow banks beside the road are dangerous because people driving their cars might not be able to see you.
- ◆ Do not throw snowballs at any vehicles including snow plows because it can cause drivers to have a car accident.
- ◆ Be careful when playing on toboggans and other winter play equipment.

## Be Aware and Get Prepared Parent Information

The City of Coquitlam reviewed its snow removal policies and service priorities and has implemented service improvements to better meet the needs of our community. Two of those improvements are better communication between staff from the City of Coquitlam and School District No. 43, and placing a higher priority on clearing school roads to ensure at least one lane of access is available.

The City has also developed a central location on the City website to help residents get Winter Wise. You will find lots of information to help you enjoy a safe winter season at [www.coquitlam.ca/winterwise](http://www.coquitlam.ca/winterwise) including weather forecasts, updates on snow removal activities, and contacts for programs to help residents.

We want all our children to remain safe when it snows so please go over the safety guidelines to help ensure your child has nothing but fun this winter.

## Have fun in the snow and be safe.

Visit [www.coquitlam.ca/winterwise](http://www.coquitlam.ca/winterwise) for changes to this information and more details including weather forecasts, updates on snow removal activities, and garbage pickup schedules.
