Step 2: Complete the New Student Registration Package (PDF).

Save this package on your device as "New Student Reg for[Name of Child]"

It is recommended that you download the New Student Registration Package using a computer (PC or Mac). Mobile phone, iPad or tablet is **not recommended**.

This New Student Registration Package includes the following:

- **Instructions** on how to send your New Student Registration Package electronically (Step 4)
- **Student Registration Form**

Step 3: Prepare the required verification documents for registration.

Families have the option of sending scans/photos of all required verification documents.

If a school receives all of the required verification documents, there will be no need for families to visit the school in person to have their documents verified. However, schools may still need to request for an in-person appointment if the documents are incomplete or inaccurate.

If you choose not to email your required verification documents, you will still need to email the registration form. Then, you will be contacted by the school to schedule a time for you to bring in the required documents for verification.

View the **Funding Eligibility Checklist (Page 5)** for the full list of required verification documents.

Step 4: Send an email back to your catchment school (email is found at the bottom section of the school's homepage) and **attach the Registration Form and required verification documents**.

- A total of seven (7) documents must be submitted: Student Registration Form (one) and Required Verification Documents (six)
- Locate/ verify your catchment school using the [School Locator](#) on our website.
- Find your catchment school email at the bottom section of the school's homepage. For example, see image below.

If your child has any special education needs, we ask that you contact District Learning Services at 604-937-6386 and ask to speak with the Zone Coordinator for your catchment school.

Step 5: You will be notified of your placement by the principal.

Students will be placed according to this process provided there is space available:

1. Siblings of older students who will also attend the school in September 2023 will be the first priority for placement.
2. If applications exceed the available space at a school, students will be waitlisted and assigned to the nearest school with space.
