Please have your child bring a full change of clothes marked in a ziplock bag and Velcro shoes are recommended (unless your child can tie their own laces)

On September 20th onward, students need to bring 2 healthy snacks (recess and afternoon snack) and a healthy lunch to school every day. Also, all students need to bring a water bottle as the water foundations are turned off due to COVID and the school has a new filtered water bottle fill up station.

See you in September – have a great summer!
