

Learn How to Study

STUDY NOW

Studying requires three things:
Good Comprehension
Writing notes as you go, and
use RCRC

Take time to study every day
Don't wait until the night before a test!
Review what you covered in class every day even if it isn't assigned.

Understand exactly what your teacher wants you to study and learn

Demand your best effort of yourself!

You are in Control...Be an active learner.
Take charge, be the your own boss.

Never leave school without everything you need to study at home.
Make sure you have your textbooks, class notes and handouts, and assignment information

Only you can make your study time count.
Decide to use your time well.

When in doubt...ask for help.
Have someone from your class you can call or ask your parents or an older brother or sister for help if you get confused.

Use these helpful tips and learn how to study properly
