Halloween

Halloween is one of the most popular events of the year. It's not a holiday or day off but it inspires excitement for both children and adults. We are looking forward to our annual Halloween Parade this Thursday. The parade will begin after lunch at approximately 1:15 pm. Students will parade through the school in their costumes. Parents and guests are welcome to come and watch the parade. If the weather is good spectators can stand outside in the back playground or in the gym. If the weather is wet, please view from the gym. Please do not stand in the hallways as it may interfere with the parade. A favorite part of Halloween is the fun and creativity in coming up with your costume. When you are choosing the costume for your child please consider:

- Making it safe and comfortable for your child to wear at school

- Minimize the amount of effort needed for putting on the costume (ie. Make up, props etc.)
- Minimize the need for non-essential props that may get damaged or lost.
- The appropriateness of the theme of the costume for elementary school. Please avoid themes of excessive violence or harmful stereotypes.

Thanks for taking time to make this a fun and safe Halloween for all our students.

I hope you have a great weekend!

Extra Set of Clothes

As the wet weather is upon us please ensure that your child has a set of extra clothes (shirt, sweatpants, sock, underwear) at school in the event that they need them. Having to call home to have clothes brought to school can be inconvenient for you and school staff. Thank you for your cooperation.

Remembrance Day Assembly

We will have our annual Remembrance Day Assembly on Fri. Nov. 8th. It's an important assembly to remind our children of the importance of remembering the sacrifices of those who have fought to secure our rights and freedoms. Due to space restrictions the assembly is for staff and students only.
