

Course Planning 2020-2021

All grade 9 – 11 students will be starting the course request process for the 2020- 2021 school year in the next while. The dates below highlighted in Yellow are the dates when students will receive their course selection sheet for families to discuss and sign. All are encouraged to look at the [course guide](#) to see the scope of offerings Pinetree has for students. Students need to choose wisely as there are few opportunities to change courses once the school year has begun. If you should have any questions, please feel free to contact your counsellor.
