

Name of Club	Type of Club	Teacher Sponsor	Teacher email	Club description with its purpose/goal.	Day	Time	Room
Architectural Design Engineering (ADE) Club	Career Interest	Ms. Shotton	nshotton@sd43.bc.ca	The ADE Club is a club for like-minded individuals who have a passion for engineering, design, and/or architecture. We want to work with others at Pinetree to create a creative environment where everyone can share ideas and complete projects or participate in events related to design. Since Pinetree has not had a design club before, we felt it would be beneficial to create a club for people who want to pursue this career path, enjoy it as a hobby or want to meet new people and socialize. Our club has projects and tasks related to design for members to complete; we also plan on creating events and running fundraisers for the community. We are so excited to pursue a club where everyone feels welcomed in a creative environment.	Tuesday	Lunch	B101
Animation Club	Career Interest	Mr. Sandhu	bsandhu@sd43.bc.ca	Make fun mini animation projects along with different people. A place to learn, share and have fun.	Tuesday	Lunch	A106
Anime Club	Hobbies	Mr. Lu	alu@sd43.bc.ca	This club is meant to create a safe and welcoming space for all anime enthusiasts. This is a space where people can recommend, watch, and talk about anime with their peers and create new social circles as they go. Additional activities that may be held in this club are competitions (drawing, speedruns, etc.), watch parties, trivia, and special events.	Tuesday	Lunch	A221
Arts & Crafts club	Hobbies	Ms. Bablitz	jbablitz@sd43.bc.ca	Arts & crafts club is designed for anyone who is interested in art to present their skills through various projects. Additionally, they will meet and communicate with peers who have the same interests as them. One of our goals this year is to host an exhibition.	Monday	Lunch	B100
Board Games Club	Hobbies	Mr. McMahon	rmcmahon@sd43.bc.ca	To introduce and allow a wide variety of students to table top gaming, and provide an inclusive and supportive social environment to participate in.	Tuesday/ Thursday	After School	Library
Book Club	Hobbies	Mr. McMahon	rmcmahon@sd43.bc.ca	To create an enjoyable community for people who love to read and need a place to share their hobby with others.	Friday	Lunch	A200
Business Club	Career Interest	Mrs. Olujic	kolujic@sd43.bc.ca	The purpose of our Business Club is to provide a platform for Pinetree students to approach any business resources easily and clearly. Business Club is a Win-Win interactive, team-oriented group that aims to familiarize Pinetree students with the real and practical corporate world outside the classrooms. We aspire and look forward to helping students bridge the gap between the high school and real world/university.	Wednesday	Lunch	A217

Name of Club	Type of Club	Teacher Sponsor	Teacher email	Club description with its purpose/goal.	Day	Time	Room
Charity Jazz Band	Hobbies	Mr. De Vita	ndevita@sd43.bc.ca	The purpose of Charity Jazz Band is to provide a student-led band for people who play jazz instruments. It gives students more freedom with the songs they want to perform and to challenge themselves with potentially harder music. In past years, Charity Band had performed across the city for entertainment, as well as promoting music programs at school.	Friday	Lunch	Band/choir room
Classical Music Society	Hobbies	Mr. De Vita	ndevita@sd43.bc.ca	At Pinetree Classical Music Society, we aim to give students more opportunities to explore, experience, and practice classical music within our school. We'll be discussing various topics concerning classical music at each meeting and preparing events such as student-run concerts music-career oriented presentations, and various ensembles. PCMS will be a place for students of all music levels to come and enjoy music, while also being provided useful resources to help aid them on their musical journey.	Friday	Lunch	Band Room
Computer Science Club	Career Interest	Mr. Flores	dflores@sd43.bc.ca	Computer Science Club is an educational club dedicated to introducing fundamental and interesting topics in the field of computer science. Anything from 1's and 0's, to analyzing the complexity of algorithms, passionate students will be able to practice computational thinking through discussion and collaboration. It will also be a great place for students to learn about CS opportunities and resources to get a head start in this increasingly competitive field.	Tuesday	Lunch	A221
Crochet Club	Hobbies	Ms. Deck	jdeck@sd43.bc.ca	We are trying to promote the growth of handmade products with yarn/wool/thread and a possible business starter in the future. We are willing to teach beginners how to crochet and yarn (although all other types of yarn weaving are welcome). After some meetings about basic and advanced crochet stitches, we will move on with small, medium, and large projects.	Wednesday	Lunch	A115
Culinary Club	Hobbies	Ms. Jackson	re.jackson@sd43.bc.ca	The Culinary Club gives students the opportunity to learn and enhance their skills in the kitchen. Whether you've only cooked packaged ramen or you cook your family meals, the Culinary Club will give you the perfect environment to improve those skills and meet new people. We promote culinary freedom and recipe experimenting to create your own unique dishes.	Thursday, Friday	After School	A116
Dance Club	Hobbies	Mrs. Lovelock	nlovelock@sd43.bc.ca	In the dance club, we will strive to build a community that allows students to freely express their dance interests while fostering an open-minded perspective on different genres. (as last year)	Thursday	Lunch	Drama Room

Name of Club	Type of Club	Teacher Sponsor	Teacher email	Club description with its purpose/goal.	Day	Time	Room
Debate	Career Interest	Mr. Sandhu	bsandhu@sd43.bc.ca	The purpose of our club is to teach students how to debate, and learn about a broad range of different topics. Our goal is to encourage members to be confident and gain debate skills. We will be doing both, formal and informal debate. We hope in the future to enter debate competitions for students who enjoy competing with their peers. Our club is open to anyone who is eager to learn about debate!	Monday	Lunch	A106
Environmental Club	Community Service	Mr. McMahon	rmcmahon@sd43.bc.ca	The mission of our club is to mobilize staff and students to take action against environmental issues, advanced sustainability in the community, and promote environmental stewardship.	Tuesday	Lunch	Library/ A200
Game Development Club	Hobbies	Mr. Lu	alu@sd43.bc.ca	Our 2D Game Design Club offers a full-year lecture-style, interactive learning environment that begins with simple games such as Pong, to relatively advanced games like Mario and Angry Bird. The programming language that we have chosen is Lua, with runs the game engine LOVE2D. We have come up with the idea of igniting coding interests in Pinetree through building a series of fun 2D games like Pong, Flappy Bird, Mario, and Angry Bird. We genuinely believe that our lecture-style teaching will benefit all levels of programmers. We focus specifically on game development, as well as design procedures as to how games work behind the scenes.	Thursday	Lunch	A221
Games Club	Hobbies	Mr. Lu	alu@sd43.bc.ca	The Pinetree Games Club is an environment where students can gather to discuss, collaborate, or compete with each other through various games. Our objective is to provide fun and enjoyable events for students to meet like-minded people, playing games either casually or competitively.	Thursday	Lunch	A220

Name of Club	Type of Club	Teacher Sponsor	Teacher email	Club description with its purpose/goal.	Day	Time	Room
Global Group	Hobbies	Ms. Walraven	awalraven@sd43.bc.ca	<p>Discuss and learn about a variety of different cultures through club meetings, presentations, and group activities. Celebrate important holidays and festivals as a group, and learn about the origin of the history behind those events and holidays (i.e. Christmas, Thanksgiving, Halloween, etc.)</p> <p>Talk about current events happening in the world, get together as a group for discussion and do our part to help the community (i.e. last year we sent out thank-you letters to our local hospital workers)</p> <p>Provide a safe space for students to share their cultural identity, opening a discussion to help us understand each other's diverse backgrounds, embracing the differences and similarities between one and another and giving international students/immigrants a big welcome to Canada.</p> <p>Provide volunteer and community service opportunities for students to give back to the community by letting them do their part, earn volunteer hours, and make new friends in the club!</p>	Monday	After School	Cafeteria
Happy Healthy Club	Self-Care	Mr. Seah	rseah@sd43.bc.ca	Our club strives to contribute to a positive school community through raising awareness on mental health and students physical well-being. We hope to help students live a healthier life through the use of educational presentations and group activities. We hope to create a sense of community where students can feel safe and are able to work as a team.	Tuesday	Lunch	Choir room
Key Club	Community Service	Mr. Clarke	jclarke@sd43.bc.ca	Key Club is the largest student-led high school organization in the world. At Pinetree Key Club, our goal is to encourage leadership through the service of others. We provide our members many opportunities to contribute to their community, while also building character and forming valuable relationships. Activities will consist of community service projects, fundraisers, and various volunteer opportunities which will be held every month!	Wednesday	Lunch	A100
Korean Culture Club	Hobbies	Mr. Jack	sjack@sd43.bc.ca	To share Korean culture among pinetree students by engaging them in fun Korean games/activities.	Monday	Lunch	Room 789
LGBTQ+	Social	Ms. Cridge	ncridge@sd43.bc.ca	We are a safe inclusive group. All allies are welcome to participate.	TBD	TBD	TBD

Name of Club	Type of Club	Teacher Sponsor	Teacher email	Club description with its purpose/goal.	Day	Time	Room
Math Club	Career Interest	Mr. Lin	glin@sd43.bc.ca	<p>We want to help students enhance and further develop their mathematical and critical thinking through curricular and further competition materials.</p> <p>Teach students to help them learn and develop mathematical approaches to various problem sets and topics, varying for each grade and personal experience, and apply logical analysis to solve math problems. Together, we will promote math interest to students through group activities, problem sets, and lessons through teaching new topics or reviewing topics and contest</p>	Thursday	Lunch	A206
Mock Government	Career Interest	Mr. Kerr	pkerr@sd43.bc.ca	<p>Our Club's goal will be to create a simulation on acting as the government, to act on working with certain topics, (Example: Sky-rocking food crisis), and debate in a parliament, to help people understand how democratic parliamentary systems will work, and to have fun in said simulations!</p> <p>Furthermore, while this would be our main goal, a secondary goal would be to get our club members immersed within a democratic and governmental system, allowing for further development of an understanding of governmental systems, and, hopefully, leading to greater trust within our Democratic ways.</p>	Thursday, Friday	Lunch	A113
Music Ensemble Club	Hobbies	Mr. Seah	rseah@sd43.bc.ca	To share music with many people and gain confidence in performing.	Monday/ Thursday	Lunch	Band Room
One Step	Awareness	Ms. Mah	jmah@sd43.bc.ca	<p>Our goal is to bring awareness about mental health mostly in teens, because we feel that many teenagers hide their emotions because they think it is not valid. This also happens a lot among young men and our goal is to show that our feelings are valid and it is ok to ask for help and support. We want to provide information on where people can get support from. We are also planning on doing fundraisers to collect money and donate to local mental health foundations. We are hoping to work with S.H.A.R.E. They provide many different kinds of help. Our focus is going to be their counselling program.</p>	Monday	Lunch	A 107

Name of Club	Type of Club	Teacher Sponsor	Teacher email	Club description with its purpose/goal.	Day	Time	Room
Philosophy club	Interest	Mr. Melnik	emelnik@sd43.bc.ca	Philosophy is a very interesting study with no option of studying in high school. In this club we will discuss philosophical topics such as free will, philosophy of law and moral values, amongst other topics. In Philosophy Club, there will be countless discussions, and we encourage all members to participate. Philosophy is a great subject to study and being involved in philosophical discussions will improve your reasoning and critical thinking skills.	Thursday	Lunch	A209
Photography Club	Hobbies	Mr. Wong	iwong@sd43.bc.ca	Make photography friends, to help every photography enthusiast achieve their goals in the field of photography.	Monday	Lunch	B102
Pinetree Post	Career Interest	Ms. Rioux	brioux@sd43.bc.ca	The Pinetree Post is a student-run newspaper which posts a monthly issue with articles, news, art, photography, contests, and more! The club divides into groups like writers, artists, photographers, and more if needed.	Thursday	TBD	A109
Psychology Club	Career Interest	Ms. Babcock	mbabcock@sd43.bc.ca	Our goal is to expose members to higher-level assignments, projects, and concepts related to psychology. By the end of the school year, they will have made significant progress in terms of solving questions, manipulating concepts, and studying effectively	Tuesday	Lunch	A201
Puzzle game club	Entertainment	Ms. Carson	ncarson@sd43.bc.ca	Our club is about puzzle games, we will have activities like Rubik's Cube and murder mystrey games (live action role playing game). Our purpose is to get students to know each other and communicate more.	Wednesday	Lunch	A217/ A218
Science Fair Club	Career Interest	Ms. Chan	ychan@sd43.bc.ca	To develop and create science fair projects that will be presented in science fairs across the lower mainland. Our goal is to lead club members through the process of finding solutions to real-world problems and designing prototypes for their ideas. With a strong focus on the scientific method, members will learn how to ask questions, form a hypothesis, and develop and implement a solution to a problem impactful to them.	Tuesday	Lunch	B203
Seniors Care Club	Community Service	Mr. Wazny	kwazny@sd43.bc.ca	Seniors Care Club's goal this year is to help safely bring comfort to our local elderly - by working with nearby retirement care centers, we will be writing letters of kindness for our local seniors as well as visiting senior care homes and participating in thoughtful activities there. This is a great opportunity for meeting new people, making friends, taking part in various fun activities, and forming bonds with local senior residents whilst allowing peers to gain access to community volunteer opportunities.	Monday	Lunch	A200

Name of Club	Type of Club	Teacher Sponsor	Teacher email	Club description with its purpose/goal.	Day	Time	Room
Save Endangered Species (SES) Club	Community Service	Mr. Landers	slanders@sd43.bc.ca	Our clubs purpose is to help bring awareness to endangered species and educate others within our community about the changes we can make to the world around us. This club will aid students in gaining volunteer experience within an inclusive and committed environmental.	Tuesday	Lunch	A107
Sign Language Club	Community Service	Mr. McDonald	emcdonald@sd43.bc.ca	The goal of this club is to learn some basic sign language together through a variety of engaging activities.	Monday	Lunch	B205
SPCA Club	Community Service	Mr. Utting	outting@sd43.bc.ca	The main goal of the Pinetree SPCA Club is to spread awareness of animal cruelty and wildlife animals in general. Animal Cruelty is one our most common-occurring issues in our society and most people don't know about this subject matter at all. The club will give ppt presentations about some of the animals in danger and what the BC SPCA organization does to prevent these horrific situations. The students will have the opportunity to work in groups and enhance their engagement, collaboration, leadership, and socializing skills. As well as working in a calm and comfortable environment in the classroom.	Wednesday	Lunch	B207
The Fitness Academy	Sports	Mr. Macdonald	tomacdonald@sd43.bc.ca	Have you ever envisioned becoming the absolute best version of yourself? And do you want to unleash you full potential, and become a legend. Splits, mindsets, and diets, join this club and we will teach you everything you need to become successful in the gym and not just in the gym, no matter what your goal is (loosing weight, gaining muscle, or just becoming a fit beast). You will also be able to meet and network with all kinds of awesome people with similar mindset as you (gym bros, and gym gals). We welcome everyone who is interested in joining. So what are you waiting for, join us on this incredible journey and let's become a huge family of people who love to become a better version of themselves!	Tuesday	Lunch	A105
Treats for peeps	Community Service	Mr. Sharma	vsharma@sd43.bc.ca	Our purpose is to provide goodies and treats for the peeps of Pinetree. With the purchase of our treats, we will donate all proceeds to local food banks.	Tuesday	Lunch	A105

Name of Club	Type of Club	Teacher Sponsor	Teacher email	Club description with its purpose/goal.	Day	Time	Room
UNICEF Club	Community Service	Ms. Korby	pkorby@sd43.bc.ca	This year, Pinetree's UNICEF Club aims to spread awareness and raise money for UNICEF's ongoing projects. UNICEF is a non-profit humanitarian organization that advocates and supports children in meeting their human rights. By bringing many ambitious students together, the UNICEF Club is looking to run new, innovative fundraisers that are safe and fun for everybody involved. In support of one of the largest and most renowned charities internationally, our club offers members the chance to make a real and tangible impact on children around the world. This allows students to develop lasting, invaluable skills and connections. Safety and quality experience is a priority within the club, and the freedom to participate in whichever of the various activities offered is something that will be provided for everyone. As the club becomes increasingly close-knit, club members will move forward together to reach the same goals, while enjoying the positive, comfortable and supportive environment.	Friday	Lunch	A209
Wecancervive	Community Service	Ms. Mohamed Ali	smohamedali@sd43.bc.ca	Wecancervive is a South Korea-based cancer organization established by high school students. We support patients around the world who are suffering from various types of cancer, especially during the pandemic. Our purpose is to extend this organization globally and fundraise donations to donate to local (hospitals)/ cancer research organizations and hold events to spread awareness about cancer.	Monday	Lunch	A212
Wish Youth Network Society	Community Service	Ms. Olujic	kolujic@sd43.bc.ca	WYNS (Wish Youth Network Society) is a student-led non-profit organization aiming to support our local hospitals and facilities through a collective student effort. The organization is currently partnered with local hospitals across Canada to meet their financial or physical needs, igniting hope for patients' families. The main purpose of the WYNS organization is to donate funds that are raised through a variety of school activities and fundraisers, held through each school's own WYNS Club. Thus, we are aiming to strengthen the function of the local hospitals by improvement of their patient care and financial support. The WYNS Club offers exposure for like-minded students to community service, volunteer hours, and a comfortable space to socialize between peers. We hope for the students to feel fulfilled and accomplished about their work, all the while creating an amazing impact on our community.	Tuesday	Lunch	A217
