

Name of Club	Club description and purpose/goal	Teacher Sponsor	Meeting Days	Time	Location
Adopt-a-trail Club	The Adopt-a-Trail club is a partnership with the City of Coquitlam that volunteers to care for the Hoy Creek Trail section that runs from White Pine Place to Guilford way. The hours that we volunteer for are registered with the City of Coquitlam and also count toward Capstone requirements! We meet every Tuesday and Friday after school for about an hour, weather permitting.	Mr. Conedera jconedera@sd43.bc.ca	Tuesday & Friday	After School	impulse area
AHCC (Asian History in Canada Club)	Asian History in Canada Club is a club which aims to spread awareness of the Asian contributions to the Canadian history. This area is often overlooked and not explained in detail (in history classes), so we want to share a unique viewpoint of this history. We will include Asian countries such as Korea, India, China, and Japan, and the history of how immigrants began moving to Canada. We will take suggestions from club members, and if they have a certain country they want us to include, we will take that into consideration. We will create PowerPoints and do presentations in front of members during lunch, using credible sources. We will try to make the learning interactive and fun, incorporating games and activities to win Asian snacks.	Ms. Grandy vgrandy@sd43.bc.ca	Monday	Lunch	A114
Badminton Club	The Badminton club will provide a safe and inclusive environment for everyone to enjoy badminton. Members can be as competitive as they want. Whether you have experience playing badminton or have zero but want to try, the badminton club will welcome you as long as you have a passion for badminton. You can choose to play competitive games with your peers or socialize and make new bonds with peers who share the same passion as you. The goal is just to have fun!	Ms. Chan ychan@sd43.bc.ca Ms. Kim seakim@sd43.bc.ca	Thursday	Before School	Gym 3, block 1
Board Games Club	A club centred around playing board games. It will be split between 3 categories of general board games, chess, and DND. It will focus on helping people build relationships with their fellow peers.	Mr. Lu alu@sd43.bc.ca	Monday & Wednesday Friday	Lunch	A220
Breakfast Club	To provide breakfast for students and create a positive connection every morning.	Ms. Walraven awalraven@sd43.bc.ca	Monday-Friday	Before School	Impulse Area
Business Case Analysis Club	The Pinetree Business case Analysis Club offers an opportunity for all students interested in business analysis and presentations, aiming to learn more about analyzing business, find solutions to real-world business problems and present. Our final goal is to have our club members ready for a business case competition we will be giving them mock business case competition material and they will be able to analyze them and give recommendations. They can learn the format and the layout of the case Analysis, Problem analysis, external and internal analysis of business, the 4Ps of marketing, Recommendation and Basis, a timeline for implementation, risk& mitigation of solutions, as well as cost& benefit analysis.	Mr. Deans bdeans@sd43.bc.ca	Thursday	Lunch	B205

Career Seekers Club	We are giving out information gathered from graduated university students who talked about their majors, jobs, and furthermore, about careers. This information is summarized in a way every student would understand and learn. Moreover, talking about average admission requirements is always confusing to grade 9 students, so we are here with a wholesome major requirement to instruct them with their course choices.	Ms. Grandy (Sem1) vgrandy@sd43.bc.ca Mr. Birsan (Sem 2) dbirsan@sd43.bc.ca	Monday	Lunch	A219
Chemistry Club	The chemistry club's intention is to promote all the science opportunities and activities for students who are interested in this specific topic. Our main goal would be to explore and research any chemistry-related subject, so then later on in the year, we would be able to attend the expos in the Greater Vancouver area including the science expos in Coquitlam and UBC. Furthermore, our club aims to conduct a variety of chemistry experiments with the approval and supervision of our sponsor teacher. Throughout the year, we would host fundraisers to support the fees and materials costs for our experiments and bigger researches related to our main goal.	Ms. Oh loh@sd43.bc.ca	Friday	Lunch	B205
Chinese Culture Club	The Chinese Culture Club's purpose is to invite students from all over the world to get to know more about the Chinese culture and to experience the fun in Chinese traditional games. We will do this by providing a series of various Chinese traditional games, and along the way introduce the Chinese culture and learn about the Chinese legend/stories behind it. We hope that everyone can have new experiences, enjoy the games, and be happy through our carefully planned activities!	Ms. Ma mama@sd43.bc.ca	Wednesday	Lunch	A202
Crochet Club	Our goal is to invite those who are interested in trying handmade crafting (in this specific case, crocheting) in a fun, welcoming, encouraging environment. We plan to have workshops where members can choose to their comfort, and do many group collaboration works. Whether you're someone who wants somewhere cozy for lunchtime, or someone who wishes to work for local communities, Crochet Club will be the right place for you. We will gather and listen to feedback from members to make meetings enjoyable for everyone.	Ms. Deck jdeck@sd43.bc.ca	Wednesday	Lunch	A115
Dance Club	The goal of Pinetree Dance Club is for all students to gain an interest in dancing and a deeper understanding of dance techniques. The club includes self-created choreography and a variety of genres of dance for students to experience. At the end of the semester, students will have an opportunity to perform at the school and demonstrate what they've learned throughout their classes.	Ms. Lovelock nlovelock@sd43.bc.ca	Thursday	Lunch	Drama room
Debate Club	We hope we can teach and guide peers through the world of debating, using our experience to create a fun environment in which they can thrive. We are aiming to focus much of our start on the basics of debating, letting them get a taste of what it entails. After some introduction, in order to help our club members be more comfortable with debating, we will play games that use debate skills. Once we build up their basic skills we will be doing proper debates.	Ms. Roberts aroberts@sd43.bc.ca	Every second Tuesday	Lunch	A211

Decoration, Crafts and More Club	We created this club so students and staff can feel welcome entering school every day because going to work or school, especially during fall, can feel dark and gloomy. We want to brighten the atmosphere of the different wings in our school. To include everyone in all grades we want to create decorations and crafts with students who want to make new friends and help build their community. As we noticed, there were a lot of transfer, international, and grade 9 students. This club will be doing a lot of different activities and one of our goals is to decorate the school to lift the mood of our community. We can accomplish this by creating posters (ex. Inspirational, uplifting), holiday decorations (ex. Halloween, Christmas), triangle flags, and many more. Some of the other activities we want to do include embroidery, beaded jewelry, cleaner pipe flowers, crafts with air dry clay, and holiday crafts (Valentine's Day, Christmas, Halloween, Easter). There will be materials provided for people to use. If we want to buy something new, we can do things like bubble tea fundraisers and other fun types of fundraisers to support our club activities.	Ms. Deck jdeck@sd43.bc.ca	Monday	After School	A115
Design Innovation Club	To provide a creative and collaborative environment where students can explore and develop their skills in architecture, interior design, and engineering through hands-on projects, workshops, and mentorship, while gaining insight into real-world applications and career pathways in these fields. To also gain insights from professionals already in the field.	Ms. Shotton nshotton@sd43.bc.ca	Wednesday	After School	B101
Environmental Club	Since 2018, our club has been advocating for environmental awareness through ample volunteer opportunities. We host numerous events every year through fundraisers, bake-sales, and painting. Our proceeds go to local organizations to help out with pressing nearby events such as the 2022 Minnekhada wildfires. Our goal for this year is to continue hosting fundraisers (donate to the Jasper food bank to aid with wildfire relief) and offer volunteer opportunities for Pinetree students. We hope to give Pinetree students volunteer hours through unique events, perfect for budding resumes.	Ms. Turpin pturpin@sd43.bc.ca	Wednesday	Lunch	Portable A
Film Club	Film Club is a space for students who are passionate about movies and filmmaking. We explore various film genres, dive into cinematic history, and analyze the technical and artistic aspects of films. Each meeting will feature discussions, screenings, and hands-on activities like short film challenges and workshops on film analysis. Our goal is to deepen our understanding and appreciation of cinema while fostering creativity and collaboration.	Ms. Mehrer jmehrer@sd43.bc.ca	Friday	Lunch	B102
Geoguessr Club	Holding tournaments for GeoGuessr and having people come in to socialize and have fun	Mr Flores dflores@sd43.bc.ca	Monday	Lunch	A222

Governance and Discussion Club	The Governance and Discussion Club will inform students about Governance in our Country, Province, and Municipality. We believe it is important for students to be informed about this because Governments shape how our society works and how it affects peoples lives. We hope to achieve this through club discussions and also bringing in guest speakers to share their experiences in the world of politics. We hope to turn many of our club members into well informed members of the community and to be able to come up with their own solutions to problems in Canada and elsewhere.	Mr. Kerr pkerr@sd43.bc.ca	Wednesday & Friday	Lunch	A113
Hope Club	Hope Club is dedicated to fostering positive change through community service. We engage in volunteer initiatives and outreach programs that uplift and support local communities, creating opportunities for members to give back and make meaningful impact.	Ms. Ugonotti lugonotti@sd43.bc.ca Ms. Matthews kmatthews@sd43.bc.ca	Tuesday	Lunch	A112

Investment Club	Having knowledge of investment and financial markets is essential for achieving success. That is the reason why we are suggesting the establishment of an investment club in Pinetree Secondary. We aim to assist students in understanding investing, improving financial knowledge, and engagement with financial markets in a practical way. The investment Club's main objective is to give students practical experience with investing. We want to create a space where members can learn together, discuss investment opportunities, and make decisions about where to put our collective capital.	Mr. Sze jsze@sd43.bc.ca	Friday	Lunch	A208
Key Club	Key Club is a student- led organization dedicated to community service, leadership development, and building character. As a part of Key Club members participate in volunteer projects, fundraisers, and events that positively impact their schools and communities while building crucial leadership skills.	Ms. Close jclose@sd43.bc.ca	Thursday	Lunch	A100
Korean Culture Club	Our club aims to provide in-depth knowledge about Korean culture, literature, and language, focusing especially on Hangul, the Korean alphabet. We strive to create an inclusive environment where students from diverse backgrounds can learn and appreciate Korean culture while also gaining insights into the broader context of Oriental countries. By exploring the rich history and literature of Korea, we hope to foster mutual understanding and build bonds between members. Ultimately, our purpose is to reduce biases and prejudices by promoting cultural awareness and appreciation through education and shared experiences.	Ms. Kim seakim@sd43.bc.ca	Friday	Lunch	A202
Literature Club	To gather people with similar interests. discuss books and writings with people who genuinely want to. share personal poetry and ideas with one another and share opportunities to connect with programs and communities outside of school. <p>Style to Impress Club</p>	<p>The "Style to Impress" club will provide a fun and engaging atmosphere for students to gather and discuss a major topic of interest for teenagers: Fashion. Since many students are highly in their appearance at our age, this club will offer a great platform for individuals to share their unique opinions and gain diverse perspectives on different fashion styles. Every month, our club will choose a "Theme of the Month," such as dressing in white, wearing baggy clothes, or standing out in a crowd. Then, we will find and take pictures of 10 people who are dressed in that category once we get their consent. The members will gather biweekly to consult and choose 3 of the best dressed people who fit into the theme from the pictures we took, and we will make an Instagram reel featuring these students and post it on our school Instagram after we get permission from Mr. Lee. Our club will allow students to communicate with their peers about a topic other than academics while also giving them something to look forward to each month. By forming this club, we hope to create the best-dressed student body in the Coquitlam district!</p>	<p>Mr. Lee halee@sd43.bc.ca</p>	<p>Tuesday (First and Last Tuesday of every month)</p>	<p>Lunch</p>	<p>A219</p>

<p>The Business Club</p>	<p>Continuing on from previous years' Business Club, we are honored to be passed down the leadership role of the business club from last year. We aim to educate students on the essential skills and knowledge required to excel in the world of business. Our club focuses on teaching members how to manage money effectively, understand the dynamics of different markets, and grasp the fundamental concepts of finance, entrepreneurship, investments, and business operations. We welcome everyone to join, regardless of their current knowledge level.</p>	<p>Mr. Lum dlum@sd43.bc.ca</p>	<p>Thursday</p>	<p>Lunch</p>	<p>A217</p>

<p>The Pinetree Post /Newspaper Club</p>	<p>The Pinetree Post is a unique school club that aims to bring back student journalism into Pinetree Secondary. Supporting especially students with an interest for global politics, concurrent events, and issues about their community, the Pinetree Post Club offers students an opportunity to submit articles, stories, and opinion pieces that other students can edit and proofread to deliver quality journalism to the school. Students at the club will be vetted by our executive team, as at every meeting, we want to have a dynamic discussion to mention both large and small news internationally as well as regionally at the City of Coquitlam, lower mainland, as well as indigenous issues around the community.</p> <p>The Pinetree Post encourage more reading, more writing, and most importantly, more cultural awareness at the new global zeitgeist by bringing the post, back to Pinetree.</p>	<p>Ms. Joo rjoo@sd43.bc.ca Ms. Robin MRobins@sd43.bc.ca</p>	<p>Tuesday</p>	<p>Lunch</p>	<p>A105</p>
<p>UNICEF</p>	<p>United Nations Children's Fund (or UNICEF) is a non-profit organization focused on providing humanitarian and developmental aid to children worldwide. For years, Pinetree's UNICEF club has been hosting a variety of fundraisers (in-school and outside) to raise money for this organization in order to provide for children in need all around the world. Last year, we raised over \$1000 for UNICEF, and our mission does not just end there. Our goal for this year is to raise \$1500 within a span of 4-6 fundraisers with the help of our strong leaders and devoted members. We are determined, committed, and dedicated to making this year another success!</p>	<p>Mx. Groll kygroll@sd43.bc.ca</p>	<p>Thursday</p>	<p>Lunch</p>	<p>A209</p>
<p>Video Creation Club</p>	<p>The goal of my club is to help students learn more about Video Editing, regardless of which software they are using. (Premiere Pro, CapCut, Davinci Resolve, etc.) My goal would also be to help students learn more about my passion within Video Editing by making a club dedicated to the interest, and hopefully introduce others into Video Editing. Regardless of which software someone uses, the club would be a way for people to also share their knowledge within the subject, and build a community of passionate Video Editors.</p>	<p>Ms. Mah jmah@sd43.bc.ca</p>	<p>Wednesday</p>	<p>Lunch</p>	<p>A107</p>

<p>Video Game Design Club</p>	<p>A club where people can ask questions about programming, video game design, and 3d modelling.
