NEW News

UBC Black Futures

The Black Futures program is a unique opportunity for Gr. 11 and 12 Black students from across Greater Vancouver to be introduced to post-secondary options and discussions about higher education. Last year’s program was hugely successful, and we anticipate that this year will be too. With a slogan of “if you can see it, you can be it”, it allows students to envision their academic future. Students DO NOT need to be planning on attending UBC to be a part of this program.

The program consists of four in-person meetings at UBC. High school students will meet with UBC students, as well as a variety of faculty and other professionals. There is no cost for students to attend. Transportation to and from UBC will be provided and students will be chaperoned by SD43 teachers. If you are interested, please see Ms. Moorhouse in counselling by **December 18th**, so that your name can be added to the list—there are only 10 spots available, so don’t wait!
