INTRODUCTION

PleasantSide Elementary is committed to creating and maintaining a safe, caring and orderly community where staff, students and parents work together to create a positive culture. Students are taught and practice socially responsible behavior in a variety of settings such as the classrooms, hallways, playground and gymnasium.

The process and product do reflect the School Act Section 85 (2) (c)

CODE OF CONDUCT: KEY ELEMENTS

1. Process

“All British Columbia schools include students, parents and staff in the development and review of codes of conduct.”

Staff, students and parents have had input into the review and development of the PleasantSide Code of Conduct.

2. Communication

“Expectations regarding acceptable conduct are made known to all students, parents, and school staff, as well as to temporary staff or visitors. Protocols while acting as ambassadors of the school are made known to students, parents, coaches, and involved members of the greater community.”

Students are made aware of the School Code of Conduct in a variety of ways such as: weekly school-wide meetings, monthly school-wide Pride assemblies, classroom meetings and discussions, family discussions, counselling sessions and administrative meetings. The Code of Conduct is on the school website and in the student planner. In September, parents are required to read and discuss the Code of Conduct with their children and then sign a document verifying their acceptance of the code.

The school staff is given opportunities to discuss and to provide input into the Code of Conduct at staff meetings and professional development sessions.

3. Implementation

“Behavioural expectations outlined in the Code of Conduct are consistently taught and actively promoted. Responses to unacceptable behaviour are based consistently on sound principles and are appropriate to the context.”

Students in grades 4 & 5 are given the opportunity to serve as lunch monitors where they are required to model and teach socially responsible behaviour to the primary students.

Students in the school participate in the Buddies program and students in grades 3, 4 & 5 mentor the younger students.

4. Monitoring and Review

“Conduct is continuously monitored to ensure the code reflects current and emerging situations and are contributing to school safety.”

“Codes of conduct are reviewed and improved in light of evidence gathered and/or relevant research, and are revisited as part of a regular cycle of policy review.”

The Code of Conduct will be reviewed yearly by the staff, the PAC and students in order to monitor its efficacy.

We will continue to monitor student behaviour using a variety of methods such as performance standards, anecdotal data, counselling and office referrals. Student and parent satisfaction surveys are another source of information.

5. Alignment

“Codes of Conduct are compatible between schools in the community and across elementary, middle and secondary levels.”

The Pleasantide Code of Conduct is aligned with School District #43 policies and administrative procedures. It promotes the values expressed in the B.C. Human Rights Code respecting the rights of all individuals in accordance with the law.

- students shall not discriminate against a person or class of persons regarding any accommodation, service or facility customarily available to the public because of the Indigenous identity, race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identity or expression, or age of that person or class of persons.**
- students may be subject to discipline under the school and/or District Code of Conduct for any conduct which has the effect of negatively impacting the school environment, whether that conduct occurs on or off School District property, at a school sponsored function or activity, or otherwise**

6. Standards

- a) The purpose of the Code of Conduct is to establish, clarify and maintain expectations for student behaviour in a safe, caring, and orderly environment.**

Students are to comply with the behaviour expectations set out in this code before, during and after school, while on field trips and when attending school functions.
