

PAC HOT LUNCH IS BACK FOR 2023/24!

Our most popular fundraising program yet, PleasantSide PAC Hot Lunch is back and better than ever!

At least twice a month you don't need to pack a lunch for your child. This school year, we're bringing in highly recommended new vendors such as Boston Pizza, and keeping the favorites like Hot Dog day, and Pancake day.

To order hot lunch for your child (ren), we use an online ordering system called **MunchaLunch**. If you have used MunchaLunch before, you simply need to log in and update your child's division/grade/teacher before placing your first order (you will be guided through this process). <https://munchalunch.com/login>

If you're new to **MunchaLunch**, go to the PleasantSide Elementary School website, and click on 'Order Hot Lunch' in the 'Quick Links' section. This takes you to the MunchaLunch website, where you can register for a new account.
