Principals Message

Dear PleasantSide Families,

Congratulations to our entire school community on an outstanding achievement in this year's Terry Fox Fundraising Campaign! Together, we raised over \$7,400—a new school record and a truly incredible accomplishment. Our students went above and beyond and are now excitedly looking forward to their well-earned rewards of an extended recess and a fun afternoon movie. I would also like to extend my heartfelt thanks to everyone involved in organizing our recent student-led Truth & Reconciliation Assembly. It was a moving and meaningful event that reflected the compassion and thoughtfulness of our school. Every student in the school signed an orange heart, which was then added to a large bulletin board display to reinforce the message that Every Child Matters. We are committed to continuing this vital work by embedding Indigenous Ways of Knowing and Being throughout our classrooms. We are so proud to be part of a community that is deeply committed to acceptance, growth, and supporting one another. Thank you to all our parents and guardians for your continued support!

With sincere gratitude,
James Morton
