**Registration Note:**

All program providers operate independently with different registration methods and dates. For DWUL Partnered programs (highlighted red), registration can be processed directly by DWUL.

We Learn, We Build, We Play with...  
**LEGO® Bricks**

# AFTER SCHOOL CLASSES

## Bricks 4 kidz LEGO® Robotics

After School S.T.E.M. Program

*Located at Porter Elementary*

Starting Monday Oct.1<sup>st</sup> – Dec.03<sup>th</sup>

(No class Oct.08, Nov.12)

**3PM – 4PM (K-G5)**

Our 1 hour weekly classes explore Engineering and Architecture using technique LEGO® bricks to build motorized models!

Cost: \$105 including tax

To register, please email your **name, name of the child, grade of the child** attending to: [tbai@bricks4kidz.com](mailto:tbai@bricks4kidz.com).

## LEGO® Robotics

### Laws of Motion

Who says physics is boring? Test out some of Sir Isaac Newton's Laws of motion with models that illustrate the concepts of inertia, force, mass, acceleration and the observation that every action has an equal and opposite reaction. Let's get to build fun stuff out of LEGO Bricks and create a positive association that science is fun!

**REGISTER ONLINE**  
**[www.brick4kidz.com](http://www.brick4kidz.com)**

**Tuesdays and Thursdays** from 12:00 to 12:45 pm in the gym.

\*There will be a performance for family and the school on **November 15 at 11 am.**

Fee per student: **\$79**

**TO REGISTER AND PAY FEES: <http://www.theatrx youth theatre.com>**

#### SOME HELPFUL HINTS TO SUCCESSFULLY REGISTER ONLINE:

1. CREATE account BEFORE your school's registration link goes live.
2. Register for the correct school and only once. Register each child separately.
3. Fill out registration form. You will receive a confirmation. If more than 30 registrants are received, a computer-generated list will determine who will be in the class and those people will be sent a payment link. The rest will be notified that they are on the waitlist.
4. Payment options: Paypal, credit card

*PLEASE NOTE: By registering for this program, your child is now considered a Theatrx member. The following policies are attached to this program. While directors take reasonable steps to prevent injuries to students, some degree of risk is inherent in the nature of activities, and may occur without fault on the part of the student, school board, its employees or agents, or the facility where the activity is taking place. By allowing your child to participate in this activity, you are agreeing that the activity described above is suitable for your child, and that there is a risk of injury associated with the activity. \*\*\* This is not a theatre production, but a work in progress, and the primary objective is to introduce the students to the performing arts in a safe and fun environment! \*\*\**

# Young Performers

Taught by DAVID PAVANE Professional actor and musician with 25 years experience and his team of PROFESSIONAL ACTORS who live in your COMMUNITY!

**PORTER ELEMENTARY**  
**WEDNESDAY, 2:55- 4:10PM**

8 Sess: Oct 2, 9, 16, 23, 30,  
Nov 6, 13, 20

Join your friends for after-school fun and learn the tips and tricks of your favourite movie and TV show actors! What Can You Learn? Creating Characters, using Your Voice, Body Movement, Scene Acting, Improvisation, and Performance Skills. What's So Great About Acting? by phone at 604.664.1636  
in person at Place des Arts  
1120 Brunette Ave, Coquitlam

**PORTER — THURSDAY**

**3:00PM - 4:30PM**

**8 Sessions: Oct 4, 11, 18, 25,  
Nov 1, 8, 15, 22**

Moresports is a neighbourhood based after school program that provides physical activity opportunities to children at their own school. The focus is on fun, inclusion and connecting kids to sport, other kids and older youth mentors. The partnership between School District 43, City of Coquitlam and a host of other supporters assures that the costs are kept low and that there are no barriers to anyone participating.

- \* Cost of Program — \$40.00

## WHAT IS LEGO® SERIOUS PLAY®?

LEGO® Serious Play® is a communication and problem-solving process in which participants are led through a series of questions, probing deeper into a chosen subject. Each participant builds his or her own 3D LEGO® model in response to the facilitator's questions using specially selected LEGO® elements. Imagination is the only limitation as there are no sets of instructions to follow. Participants use their own creative genius to tell their own stories. These 3D models serve as a basis for group discussion, knowledge sharing, problem solving and decision making. Based on research which shows that this kind of hands-on, minds-on learning produces a deeper, more meaningful understanding of the world and its possibilities, the LEGO® SERIOUS PLAY® methodology deepens the reflection process and supports an effective dialogue - for everyone from executives, teams, to young children. By utilizing visual, auditory and kinesthetic skills, the Method requires participants to learn and listen to each other, providing all participants with a voice. It is also a method that requires a certified LEGO® SERIOUS PLAY® facilitator.

## WHO IS LEADING THIS UNIQUE PROGRAM?

Kirsten Anderson, of Integrate Play Solutions, will be facilitating this FUN series of workshops. Kirsten is well known as the founder/former owner of The Village Toy Shop - also the resident Toyologist with Play Tips on Global News.

Currently she works with teams, organizations, and in education as a speaker, trainer, coach, facilitator using LEGO® Serious Play and other engaging tools. Empathy, Creativity, Innovation, Risk, Failure (messy play), and Culture are all areas Kirsten loves to dive into with both adults and children.

## DETAILS?

### MAD SCIENCE EIGHT-WEEK SCIENCE CLUB

Eight weeks of exciting hands-on science based activities. Watch fascinating demonstrations, join in enquiry-based discussions, participate in individual and group experiments, and make amazing take-homes. Mad Science will spark the curiosity and imagination of children with fun science activities that will help them understand the world around them.

**School:** PORTER STREET | **Sessions:** FRIDAY, 3:05 – 4:05 P.M. (GRADES K-7)

**Dates:** SEPTEMBER 28<sup>TH</sup>; OCTOBER 5, 12 & 26<sup>TH</sup>; NOVEMBER 2, 16, 23 & 30, 2018

**No Session:** OCTOBER 19<sup>TH</sup> - PRO-D; NOVEMBER 9<sup>TH</sup> - PRO-D

Space is limited so register early - \$140 (includes tax) for 8 weeks

\*\*\* MONITOR FOR OUR eMAIL ONCE YOU REGISTER \*\*\* **DEADLINE: FRIDAY, SEPTEMBER 21, 2018**

#### PLANET AND MOONS

Explore the farthest reaches of our solar system in this “mad” planetary tour! Learn how the planets stack up!

#### ATMOSPHERE AND BEYOND

We’re on a mission to explore the atmosphere on Earth, and beyond! Travel to the end of a rainbow and make a sunset! Discover how stars would look in space !

#### SPACE PHENOMENA

Probe the mysteries of meteors and bounce around satellite light in this phenomenal program on space events! See comets up close as one is formed before your eyes!

#### SUN & STARS

This stellar program is your ticket to the stars! Watch star dust burn, and journey through a soapy galaxy as you investigate the life cycle of stars!

#### ROCKET SCIENCE

This is your chance to be a rocket scientist! Investigate the four forces of flight with the help of a Unique Flying Object! Explore the science involved in rocket construction!

#### SPACE TRAVEL

Learn what it takes to be a true globetrotter! Race a balloon rocket and design your own car engine as you learn about thrust. See the principles of propulsion at work in a real rocket launch!

#### SPACE TECHNOLOGY

Discover technology designed for outer space! Steer a laser beam through a laser maze and find hidden mountains using the principles of radar technology!

#### LIVING IN SPACE

Experience the life of an astronaut as you suit up for a space flight! Use teamwork to complete an important space mission!
