

**Dear Counselling Corner:**

Argh! There seems to be a lot of bugs around lately and I am really trying my best to avoid them! Where can I find the video you made and put on youtube last year to keep kids safe? I have misplaced it and had found it helpful for reminding my child to wash their hands and coughing appropriately etc. Thanks so much!

**Dear Staying Safe**

Lol! I had fun making this video with my cat! Here is the link:

<https://www.youtube.com/watch?v=LkjMQS8SwFU> and is called Be Safe Around the Clock each Day. The video focuses on handwashing, 'elbow coughing', social distancing (which has changed a bit now), and keeping hands off our faces, in a fun way. Thanks for supporting your child to be safe and to keep everyone else safe too!
