

Dear Counselling Corner:

I am really pleased that masks are mandatory for students K-12. However, there are so many other ways which our kids need to be reminded to stay safe such as washing their hands and coughing into their elbows. Do you have any ideas as to how we can remind our children stay safe? Thanks!

Dear Staying Safe Dad

Absolutely! I made up a fun song to help our children to stay safe during this time.

Here is the link:

<https://www.youtube.com/watch?v=LkjMQS8SwFU> and is called Be Safe Around the Clock each Day. The video focuses on handwashing, 'elbow coughing', social distancing, and keeping hands off our faces, in a fun way. Thanks for supporting your child to be safe and to keep everyone else safe too!

Please contact me if you have any questions or concerns regarding your child's social and emotional development at hchang@sd43.bc.ca.
