

**Dear Parents and Guardians:**

The Peer Helper Team is looking for someone to help us sew reflective trim on our Peer Helper vests. (see below)

**No reflective trim in above photo**

**Reflective trim (a grey and light green X) has been sewn on in the above photo to help our Peer Helpers to be seen and stand out while on the playground.**

The Peer Helper program is made up of close to 30 grade 4 and 5 students who have received special training to help other students to problem solve and to feel connected, supported and happy. On Tuesdays, Thursdays and Fridays, 4-5 Peer Helpers circulate on the playground at lunch, but unfortunately, on cloudy and rainy days, we are noticing that the Peer Helper vests are difficult to see. Adding the reflective trim, which needs to be sewn on, is making it much easier for them to be found by other students. We have **SEVEN** more vests which need to have the trim sewn on. Please email me at [hchang@sd43.bc.ca](mailto:hchang@sd43.bc.ca) if you know how to sew and are willing to help out. Thank you!

Harriette Chang  
Counsellor
