### **CLUB LEADERS**

Each year, we collect names of students who have provided service to the school. As the leaders of clubs, you know best who played an important role in your club. Here's the awards that are available...

1) Leadership: student who provides leadership to other students in the school. Usually the leader of a club, but could also be a very involved member that has helped lead. This would not include someone who attends meetings, or even helps out at club events, it is specifically for students who have shown leadership. There should be at most 3-4 people getting a leadership award for a club. Most would have 1-2.

2) Service to PMSS: Most clubs do not qualify for this award. Your club must do something directly for PMSS. In that case, students in the club could be nominated for a service award if they did a significant amount (not just that they showed up for a meeting or two). If your club raises money or awareness for an outside organisation (Amnesty, Canadian Cancer, Share etc) those organisations should be recognising your group members for their contributions, but the school will not.

If you have people that you would like to nominate, please email Ms. Tsui ASAP, before **Thursday, April 23rd.**

Things to include:

Student Name

Grade

Student Number

Name of Club

Teacher sponsor for club

Award being nominated for (Leadership or Service)

## PARENTS

**PMSS 2025-2026 SCHOOL CALENDAR:** Please click [HERE](#) for the 2025-2026 School Calendar

### **Upcoming Meetings**

- **Regular PAC Meeting:** April 14 at 7 pm, Room 222
- **After Grad Meeting:** April 9 at 7 pm, Room 222
- **Regular PAC Meeting:** May 12 at 7 pm — **Election Night**
- **After Grad Meeting:** May 7 at 7 pm, Room 222

### **Why We Need You**

We would love to see more parents join us at the April meeting. May is election month, and we need people to step into roles—the Chair position must be filled. For the past three years, the same five people have been covering all positions, and we truly need more support.

High school PAC is very different from Elementary or Middle School:

- Meetings are shorter.
- There is one main responsibility: deciding how to distribute the annual gaming grant to school clubs.
- To receive a gaming grant of **over \$25,000**, we must have a **Chair, Treasurer, and Secretary**.

If your child participates in any sport or club, these roles directly impact them. Without these positions, **there will be no gaming grant in the fall**, and clubs will not receive funding.

Attached a sample of this past year and clubs we supported.

PAC also oversees the Grade 12 After Grad event. This requires parent involvement, as a significant amount of fundraising is done to support the celebration.

At many schools, Grade 11 parents lead the planning so Grade 12 parents can enjoy the final year with their kids. Unfortunately, our school has had low volunteer turnout. Two years ago, the event had to be cancelled due to lack of volunteers.

Parents from all grades are encouraged to attend meetings and get involved. Volunteering gives you a clear picture of what happens and helps ensure the event continues for future years.

All caregivers are welcome—grandparents, aunts, uncles, anyone who enjoys helping out. If you're missing the social connection that came with elementary school pick-ups and playdates, PAC is a great way to meet new people.

### **Rafflebox Fundraiser**

This year, Athletics, After Grad, Robotics, and Music have partnered to raise funds through Rafflebox. Please share the link with family and friends across BC. If every family sold just 10 tickets, each group would receive much-needed support—and you'll be entered to win an amazing prize package.

### **Interested in Helping?**

If you'd like more information about volunteering with After Grad or taking on a PAC role, we welcome co-positions if you'd like to ease into things.
