Upcoming Meetings

- **Regular PAC AGM Meeting:** May 12 at 7 pm — **Election Night**
- **After Grad Meeting:** May 7 at 7 pm, Room 222

Why We Need You

We would love to see more parents join us at the April meeting. May is election month, and we need people to step into roles—the Chair position must be filled. For the past three years, the same five people have been covering all positions, and we truly need more support.

High school PAC is very different from Elementary or Middle School:

- Meetings are shorter.
- There is one main responsibility: deciding how to distribute the annual gaming grant to school clubs.
- To receive a gaming grant of **over \$25,000**, we must have a **Chair, Treasurer, and Secretary**.

If your child participates in any sport or club, these roles directly impact them. Without these positions, **there will be no gaming grant in the fall**, and clubs will not receive funding.

Attached a sample of this past year and clubs we supported.

PAC also oversees the Grade 12 After Grad event. This requires parent involvement, as a significant amount of fundraising is done to support the celebration.

At many schools, Grade 11 parents lead the planning so Grade 12 parents can enjoy the final year with their kids. Unfortunately, our school has had low volunteer turnout. Two years ago, the event had to be cancelled due to lack of volunteers.

Parents from all grades are encouraged to attend meetings and get involved. Volunteering gives you a clear picture of what happens and helps ensure the event continues for future years.

All caregivers are welcome—grandparents, aunts, uncles, anyone who enjoys helping out. If you're missing the social connection that came with elementary school pick-ups and playdates, PAC is a great way to meet new people.

Interested in Helping?

If you'd like more information about volunteering with After Grad or taking on a PAC role, we welcome co-positions if you'd like to ease into things.
