Day 1

LOST & FOUND:

- ❖ A retainer was found in Room 217 and can be claimed on the Lost & Found stand during lunch.
- ❖ The following items were turned in. Please come to the office during lunch or after school to claim:
 - Pandora bracelet with charms
 - Silver chain with ring
 - 3 sets of headsets

COVID TESTS: We have some covid tests available at the office. Please feel free to come by during lunch or after school to grab some.

EMERGENCY EXIT SIGNS

In the past year, the school's emergency lighting and exit signs were upgraded to current standards.

An unexpected, and unfortunate consequence to this is that some students regard the signs as an appealing item to jump up and hit. In turn this dislodges the sign from its mounting bracket.

To date we have managed these incidents informally and directly with the student(s) involved. As the issue continues, please note that from this point forward consequences will be addressed formally with the student and family.

Parents - we'd appreciate you taking some time at home to reinforce the signage is an important component of the fire protection system of any public building and is clearly a no touch item.

Please contact Mr. Conley gconley@sd43.bc.ca if you have any questions or comments.

GRADES 9/10: CEMC WATERLOO IS HOSTING AN ONLINE COMP-SCI WORKSHOP CALLED SPARCS

We are pleased to inform you that the [Centre for Education in Mathematics and Computing \(CEMC\)](#) at the University of Waterloo is hosting [SPARCS \(Virtual\)](#), an online computer science workshop for students in Grade 9 and 10. **This workshop is designed specifically for people belonging to gender identities under-represented in computer science including women, non-binary and trans folk who are interested in learning about computer science.**

We are looking for participants with an aptitude in mathematics but with little or no previous exposure to computer science. Past participants have raved about the great time they had and how the workshop changed their perceptions of computer science and computer scientists. It will take place online from Sunday, June 11, to Wednesday, June 14, 2023, with two, one-hour long sessions per day (1:30 p.m. & 4:30 p.m. EDT on Sunday and 4:30 p.m. & 7:30 p.m. EDT Monday through Wednesday). A registration fee of \$25 will need to be paid after invited applicants receive their confirmation package; there is no fee to apply for the workshop.

If you are interested in participating in this workshop, please apply. The [online application form](#) is open now and will close on Wednesday, May 3, 2023, at 11:59 p.m. EDT. Post application, teachers will receive an email to verify their student's grade and math mark.

BCIT's ACE Microcredential – Summer 2023 (Pilot). Are you interested in Architecture, Construction or Engineering? The **ACE Microcredential – Introductory Design and Technical Skills for Architecture, Construction and Engineering**, is a unique work-based entry level educational program designed to introduce high school students graduating and recent high school graduates to the worlds of Architecture, Engineering and Construction. Students will be introduced to skills, concepts and terminologies used in these sectors, participate in site visits, work on both physical and digital models, and hear from leaders in these professions. The ACE Microcredential is delivered to students in a blended format, which includes classes held at BCIT's Burnaby campus, virtual learning through BCIT's Learning Hub platform, and fieldtrips to local design firms and construction sites. The aim of the program is to build an understanding of the spectrum of careers that exist within these fields and to prepare students to explore those careers via this unique immersive polytechnic program. Following completion of the ACE Microcredential, successful students would then continue on with a related Certificate program that begins September 2023 and runs for one year, which includes paid internships with local companies in the construction, architecture and engineering fields. Program runs from July 10 to August 4, 2023 (4 weeks, full-time) at BCIT's Burnaby campus. The deadline to apply is **April 30, 2023**.
