REMINDERS WHEN USING THE BUS

As Translink is back to regular levels of service, please keep the following in mind when you are taking public transit:

- Be mindful of where you are standing when the bus is coming to a stop. Moving away from the curb allows the driver to pull in safely.
- Remember that other students want to get on the bus. Pushing your way to the front of the line makes everything slower for everyone.
- With construction, the bus stop locations have changed. Check the signs or your app carefully to make sure that you're at the right bus stop.
- Other bus riders may not want to hear your conversation—keep the volume down.
- You might miss the bus, or it might be full. Another one will be along soon.
- If you see something unusual when you're on public transit, report it to a uniformed attendant, or text 87.77.77

We all need to work together to make a transit system that it safe for everyone!

AFTER GRAD

Dear Parents

AfterGrad has come and gone and what a success it was, the kids thoroughly enjoyed their evening. Many of us parents had our hearts warmed by how well behaved, polite and grateful all the students/guests were. Too many students to count thanked many of the parents directly for all of our hard work. On that note, thank you, thank you, thank you to all the many parents, family members and older siblings of the grads who volunteered their time at the event. It's because of you this event was such a success, from riding a bus full of excited teenagers, to breakdown and everything in between the PMSS Parent AfterGrad Committee thanks you.
