## **MATH COMPETITION CLUB**

Hi PMSS!

The Math Competition Club is back with another contest for the new school year!

This October, we're offering the Canadian Open Mathematics Challenge (COMC), an amazing opportunity to refresh your math skills and find out what you're capable of. Although all grades are welcome to register, this contest is difficult, so we recommend those with Grade 11/12 content knowledge to take this contest.

The COMC is a 2.5 hour long contest that comprises 12 written questions.

Registration deadline: Sunday, October 8th at 11:59pm

Contest details: Thursday, October 26th from 3:15 - 6:00 in room 220

Price: \$37.00

Register here: <https://forms.office.com/r/edjxHWmEwc>

Note: The COMC will be available free of charge for students who identify as Black or Indigenous. This wonderful initiative is headed by the Canadian Mathematical Society (CMS), who strives towards creating a more inclusive mathematical community. If this applies to you, please indicate so on the registration form. For more information, visit <https://cms.math.ca/competitions/inclusion-initiative/>

Two years ago, PMSS won **1st place** in BC for the COMC (find our plaque in the display case in front of the math office!) and we're eager to reclaim our title.

We encourage everyone to participate, so don't miss this incredible opportunity!

For any questions, please email [088-wluo@sd43.bc.ca](mailto:088-wluo@sd43.bc.ca)

If you are interested in joining the Math Competition Club, please fill out this form: <https://forms.office.com/r/j9GuMmr887>

## **REMINDERS WHEN USING THE BUS**

As Translink is back to regular levels of service, please keep the following in mind when you are taking public transit:

- Be mindful of where you are standing when the bus is coming to a stop. Moving away from the curb allows the driver to pull in safely.
- Remember that other students want to get on the bus. Pushing your way to the front of the line makes everything slower for everyone.
- With construction, the bus stop locations have changed. Check the signs or your app carefully to make sure that you're at the right bus stop.
- Other bus riders may not want to hear your conversation—keep the volume down.
- You might miss the bus, or it might be full. Another one will be along soon.
- If you see something unusual when you're on public transit, report it to a uniformed attendant, or text 87.77.77

We all need to work together to make a transit system that is safe for everyone!

**A Message to SD43 families: Safe and Appropriate Halloween**

Halloween across all schools in SD43 is a fun and festive day which brings the school community together. Typically, the time around Halloween is incident-free and very respectful.

From time to time, a few students “in character” push the boundaries of what is socially acceptable, or what is appropriate behavior in schools, sometimes at the expense of others. With that in mind, for student safety and school climate reasons, and to ensure that every student and adult in our community enjoys the time around Halloween, we would like your assistance in reinforcing these guidelines with your children:

- Students in costume should be easily recognizable and/or identify themselves to any staff member when queried. Also, students “in character” are to conduct themselves appropriately. Behaviors which intimidate, harass, or humiliate members of the community do not contribute to a fun, festive, and safe environment.
- Replica weapons (guns, knives, etc.) are inappropriate, as are costumes which are hyper-sexualized, or costumes which depict elements of sexual exploitation.
- It is also important to note that costumes which portray negative stereotypes or that demean or make fun of any group of people are inappropriate. Costumes should not make light of anyone’s religious, cultural, ethnic or racial group.

As a reminder, by law and School District expectations, the use and possession of firecrackers or fireworks at school is strictly prohibited. This pertains to students before, during or after school, on or offsite.

With respect for each other, we can avoid any disruption to school communities in the form of vandalism and/or disrespectful, potentially dangerous behaviour. Students and parents need to be mindful that inappropriate behaviour will be addressed by school administration under the authority granted by the BC School Act and with the involvement of police where appropriate.
