ONGOING

MORNING STUDENT DROP OFF

This is a reminder to parents and students that drop-off and pick-up is to take place only in the lower parking lot - regardless of time of day or weather conditions. If you are dropping off for an early morning class or team practice, please do so in the lower parking lot.

TRANSLINK

- As Translink is increasingly busy, please keep the following in mind when you are taking public transit.
- Be mindful of where you are standing when the bus is coming to a stop. Moving away from the curb allows the driver to pull in safely.
 - Remember that other students want to get on the bus. Pushing your way to the front of the line makes everything slower for everyone.
 - With construction, the bus stop locations have changed. Check the signs or your app carefully to make sure that you're at the right bus stop.
 - Other bus riders may not want to hear your conversation—keep the volume down.
 - You might miss the bus, or it might be full. Another one will be along soon.
 - If you see something unusual when you're on public transit, report it to a uniformed attendant, or text 87.77.77

We all need to work together to make a transit system that it safe for everyone!

STUDENT PARKING PASS: If you will be parking in the lower parking lot, please come to the office during lunch or before/ after school to pick up a Parking Registration form.

PARENT FORMS & STUDENT FEES: School District 43 uses the KEV School Cash Online for both fee statements and District Policies forms. Relevant fees have been uploaded with email notifications.
