Day 2

STUDENTS (JP-NEB)

Students with the last names ending in Jp-Neb who had Mr. Gibney as their counsellor are asked to refrain from emailing Mr. Gibney as he is and has been on leave since before winter break and unable to answer your messages. Kindly direct your emails to Dr. Maierle as she is currently filling in for him until further notice.

Attention ALL GRADE 9s (including IB Pre-Diploma 9s): There will be a **Programming Assembly will be on January 30th, in the main gym during FLEX.** This is an important **required assembly** for counsellors to review the Course Selection Process with you. Bring your **QUESTIONS** as we welcome them during this time.

Programming Process for Grade 10 & 11 Dogwood students: Counsellors will be having programming assemblies during block 2 on January 30th. It is essential that you attend these to review the process, have some insight on post-secondary requirements, and ask questions. This process will be completed on the MyEd portal, and your decisions on what to take may be influenced by what programs you are interested in after high school. Your block 2 teachers will bring you at the appropriate time (First half of block 2, grade 10s & Second half of block 2, grade 11s). IB grade 10/11 students have already completed their programming, so IB grade 10/11 students need to attend their scheduled classes.

ATTENTION PARENTS! Save the Date!!! Counsellors will be providing a **Parent Programming Information Evening on January 29th between 7 – 8 pm.** All grade 9 – 11 parents are welcome to attend, to learn more about the programming process, graduation requirements, and post-secondary opportunities.

CAFETERIA SERVICE JANUARY 20-24

The school cafeteria will be closed January 22-24. It will reopen with regular service Monday, January 27th.

GR. 12 OFF-BLOCK STICKERS

Gr. 12 students who need an off-block sticker can pick them up at lunch or after school at the office. Please bring your Go-Card and a copy of your schedule.

TRANSLINK

As Translink is increasingly busy, please keep the following in mind when you are taking public transit.

- Be mindful of where you are standing when the bus is coming to a stop. Moving away from the curb allows the driver to pull in safely.
- Remember that other students want to get on the bus. Pushing your way to the front of the line makes everything slower for everyone.
- With construction, the bus stop locations have changed. Check the signs or your app carefully to make sure that you're at the right bus stop.
- Other bus riders may not want to hear your conversation—keep the volume down.
- You might miss the bus, or it might be full. Another one will be along soon.
- If you see something unusual when you're on public transit, report it to a uniformed attendant, or text 87.77.77

We all need to work together to make a transit system that it safe for everyone!

PMSS TIMES: The PMSS Times will be distributed on **Tuesdays** and **Thursdays**. Announcements will not be read over the PA. You will find copies of the PMSS Times outside the office, in the Cafeteria under the clock, and outside the Library Learning Commons.
