Wallet Missing/Taken from Girls Changing Room on Friday, Feb 14:

On Friday, a backpack was removed from a locker in the Girls PE Changing room. The backpack was searched, and a wallet was taken. Although it would be nice to have the contents of the wallet returned, the wallet itself has sentimental value to the student (someone they care about gave it to them and it means a lot). If anyone knows who may have this wallet or if the person who took it still has the wallet, please drop it off in the 'Lost and Found' box near the office so that it can be given back to its owner—no questions asked.

TRANSLINK

As Translink is increasingly busy, please keep the following in mind when you are taking public transit.

- Be mindful of where you are standing when the bus is coming to a stop. Moving away from the curb allows the driver to pull in safely.
- Remember that other students want to get on the bus. Pushing your way to the front of the line makes everything slower for everyone.
- With construction, the bus stop locations have changed. Check the signs or your app carefully to make sure that you're at the right bus stop.
- Other bus riders may not want to hear your conversation—keep the volume down.
- You might miss the bus, or it might be full. Another one will be along soon.
- If you see something unusual when you're on public transit, report it to a uniformed attendant, or text 87.77.77

We all need to work together to make a transit system that is safe for everyone!

PMSS TIMES: The PMSS Times will be distributed on ***Tuesdays*** and ***Thursdays***. Announcements will not be read over the PA. You will find copies of the PMSS Times outside the office, in the Cafeteria under the clock, and outside the Library Learning Commons.
