DAILY HEALTH CHECK

Please complete this daily, prior to coming to school.

Please visit <http://www.bccdc.ca/schools> for further information including access to the [K-12 Health Check App](#).

LOST & FOUND: If any of the following items are yours, please come to the office to claim:

- A pair of ear buds was found on May 6th in an IB exam room.
- A girl's silver ring was found on May 4th in the girls' washroom next to the gym.
- Have you misplaced a large gift bag containing art supplies and some miscellaneous items? It was found in the Learning Centre, Room 203, in December.
- A few Compass Cards have been turned in to the office. If you know the code number on the back of the card, please come to the office to claim. One, in particular, has a significant balance.

STUDENT MYED LOG INS: *Today*, Student MyEd log ins will be changing. This change is happening at all schools in SD43, although the day of the change may be different for different schools. Please note that this does not impact parent accounts. Students will receive an auto-generated email with their new MyEd login id (pupil #) and generated password. This will be sent to their school email accounts. When students receive this email they will need to follow the instructions to log in. This may require students to create a new security question and answer. Once they do this, students are encouraged to keep their new password somewhere safe for future log ins. The major benefit of this change will be that students will be able to keep their same account if they move between schools. This would include moves from middle to secondary.
